

The Food Funds Program Order Form

It costs you nothing extra yet all of our children and the school will benefit.

Here's how it works: This is an **exchange** of money for gift cards.

1. Determine how much you spend on groceries monthly.
2. Fill out the Food Funds gift card/certificate form below.
3. Send in the check written out to St. Leo the Great PTA and form in to school by **Monday**.
4. We will send the cards/certificates home with your child.

5. Go grocery shopping!

Remember, when you purchase Food Funds gift cards/certificates St. Leo the Great School will receive **5% of the total spent**. For example, every \$100 gift card purchased, St. Leo's will receive \$5.00. **Everyone buys groceries, therefore anyone can participate**. Last year, 60 families participated each month in this program and together we raised **\$6,850** for the children. The possibility to raise more is there, we just need your participation!
