# Saddle Fitting Information

## Make an Appointment:

- Appointments are made week days on a case by case basis.
- Contact Juls to arrange a date for the fit and have time to complete a phone interview about your situation.

## What to expect:

- There is no way to know a saddle fits without riding it. Any saddle our trained fitter feels is a "promising fit" will then have to be taken home on trial for the 4 day period and tested. By trailering your horse down we are able to rule saddles out that are clearly poor fitting.
- Fit assists generally take 1.5 to 2 hours
- A parking spot will be coned off close to the arena where your trailer can be pulled in.
- Come in before you unload your horse; let us know you're here, take care of the paperwork and we'll unlock the arena.
- Horse must be clean and ready to be tacked up. Keep in mind the saddle must be seen first on the horse without a pad so please have your horse groomed to protect the saddles brought out.

## Qualifications

- Customer must have trialed a saddle from Mary's stock.
- Customer's horse must be trailered to Mary's Tack & Feed in Del Mar where our fitting round pen is located.
- Customer should be able to consider a price range that will allow our fitter to try a variety of saddles in order to maximize the potential for a successful fit.

## Charges

Saddle Fit Assist ..... \$200

- 75% refundable (\$150) toward the purchase of a full price new saddle at Mary's Tack within 4 months of fit assist date.
- If a full price new saddle is not purchased within 4 months the fee is non-refundable.
