

## Bizsafe..... Full Download Pack.

### **Protect All Your Home & Business Equity – Assets Stock Fixtures & Fittings:**

In the current recession many lenders now review facilities quarterly rather than yearly and are requesting further security for existing loan or overdraft facilities such as: your home equity or other heritable property assets as well as vehicles, business assets, plant & equipment, fixtures and fittings. Having listened to a great number of clients over the past 3 years, we launched our **NEW Bizsafe – Download Pack**. This innovative NEW product now allows for business owners and consumers to design, implement and maintain their own bespoke Insolvency Cover Plan quickly and efficiently for a single one off affordable payment.

**You Can Purchase Online** - Designed specifically for Business owners our **Bizsafe Full Pack** contains all the required details you will need; procedures, forms, applications, documents, and a step by step guide to quickly complete and easily setup and maintain your very own bespoke Business Insolvency Cover Plan.

WestCorp Consulting helps businesses achieve the very best in performance, as well as uniquely PROTECTING their trading processes.

### **Protect Your Equity & Assets - From All Creditors With A Bizsafe - IC Plans.**

**Bizsafe Pack & CD** is an affordable means by which directors, sole traders, partnerships and individuals can protect their home equity and business and personal assets, from future creditor problems, legal claims, court actions, aggrieved former spouse, even potential business failure.

#### **Bizsafe – Full Download Pack - Insolvency Cover Plans:**

- ✓ Create a fully bespoke ICP covering ALL that you own.
- ✓ All unencumbered business & personal assets can be covered.
- ✓ No monthly premiums to pay – Just one single payment.
- ✓ Home equity – Property - Vehicles – Plant & Equipment – Stock.

#### **Bizsafe - Safeguarding Your Interest – Home Equity & Assets.**

With Bizsafe you can break the cycle of being left on the hook by unhelpful bankers or creditors – Bizsafe allows you to protect and secure your business future and ultimately your families.

#### **Bizsafe - Protect Against Future Trading Difficulties:**

With our Bizsafe Full Download Pack you can reduce the prospect in difficult trading conditions of a lender or creditor for whatever reason, railroading your business into terminal oblivion and closure. All too often lenders, without proper warning to clients, reduce facilities and call up securities trying to cover their exposures caused by external factors not related to the client/s in question - This can cause serious financial problems and much mental anguish.
