Tate's the Natural Miracle Conditioner Uses

Hair Conditioner

Rinse-out Hair Conditioner: Great for split ends, dry or color-treated hair. After shampooing, work Tate's the Natural Miracle Conditioner into your hair you're your scalp down to your ends. Leave in for one minute for light conditioning or up to five minutes for deep conditioning. Rinse.

Leave-in Hair Conditioner: To calm dry, frizzy ends and to help control static, apply a small amount to wet or dry hair to smooth hair.

Deep Conditioning Treatment: For damage caused by sun, heat, chlorine, perms, or hair color, apply a few pumps to wet hair, cover your hair with a processing cap, and add heat with a blow dryer or hair dryer.

Hair Gloss: To provide brilliant shine without weighing down your hair or to define waves and curls, squeeze a small amount into your palm, rub hands together, work through damaged hair before styling or work through dry hair for finishing.

Facial Moisturizer

Daytime Moisturizer: After cleansing face, gently massage Tate's the Natural Miracle Conditioner all over your face and neck. Excellent moisturizer for dry, sensitive skin!

Nighttime Moisturizer: After cleaning, smooth on face and neck. Notice how soft and smooth your skin feels when you wake up!

Make-Up Remover

All-Over Face: Moisten a cotton pad with Tate's the Natural Miracle Conditioner and wipe on your face and neck. Makeup will slide off, leaving your face feeling refreshed and ready to be cleansed.

Eye Area: Apply conditioner to a cotton pad, close eye, and glide cotton pad over lid to dissolve eye makeup and mascara while leaving the delicate eye area feeling soft and smooth.

Cleansing Cream

Apply Tate's the Natural Miracle Conditioner to dry skin to absorb and remove excess oil and dirt. Rinse and feel refreshed!

Anti-Wrinkle Facial Cream

Cleanse face and neck; apply Tate's the Natural Miracle Conditioner. Relax for five minutes, then rinse with cool water and reapply Tate's. Leaves your skin feeling soft and young!

Under Eye Treatment

Before bed, and after cleansing face, take a small amount of Tate's the Natural Miracle Conditioner and, using your ring finger, gently apply under the eyes, being careful not to pull on the skin. Let sit for a few minutes and then reapply. Helps prevent dark circles and bags under eyes.

Facial Steam

Secure your hair back from your face, and cleanse your face. Add five pumps of Tate's the Natural Miracle Conditioner to a pot of boiling water. Remove pot from the stovetop and place it on a trivet or potholder on a table or countertop. Drape a towel over your head, creating a tent, and hang your head over steaming water, taking care not to get too close. Steam your face for five minutes and then rinse face with cool water.

Hand & Body Lotion

Apply Tate's the Natural Miracle Conditioner liberally to hands and body, paying special attention to elbows, knees, and heels, for softer feeling skin. Absorbs quickly. Reapply as necessary.

Shaving Lotion

Women: Smooth Tate's the Natural Miracle Conditioner directly over wet skin and shave as usual.

Men: Wash face with warm water; add a few pumps of Tate's the Natural Miracle Conditioner to fingertips and run through beard. Shave as usual.

Waxing: Apply a small amount before waxing to help prevent irritation. Use after waxing to soothe skin. Apply daily between waxings for smooth skin.

Baby Lotion

Rub Tate's the Natural Miracle Conditioner on baby's skin after bath for gentle moisturizing, without exposing baby's sensitive skin to the chemicals and fragrances in most regular baby lotions.

Place a small amount on baby's head to smooth the scalp and condition the hair.

Diaper Rash Treatment

Apply Tate's the Natural Miracle Conditioner to baby's skin at each diaper change to help prevent diaper rash and soothe baby's skin.

Bath Moisturizer

Add 10 pumps of Tate's the Natural Miracle Conditioner under running warm water for softer, silkier skin. Indulge yourself in a full body moisturizer!

Shower Moisturizer

After cleansing yourself, while still in the shower, apply Tate's the Natural Miracle Conditioner all over your body. Rinse and notice how soft and smooth your skin feels!

Cuticle Cream

Soak fingertips for a few minutes in a bowl containing a mixture of warm water and five pumps of Tate's the Natural Miracle Conditioner. Helps soften dry cuticles.

To maintain soft cuticles, keep a bottle of Tate's on your nightstand and rub a few drops into your nails and cuticles every night.

Daily use helps prevent hangnails.

Moisturizing Foot Soak

Quick Method: Massage Tate's the Natural Miracle Conditioner directly on feet. Rinse under warm, running water to leave feet feeling refreshed and pampered.

Soak Method: Mix a few tablespoons in a foot tub of very warm water. Relax and soak feet for at least five minutes to soften tough, calloused skin and to help relieve irritation from corns and ingrown toenails. Rinse and dry your feet and apply more Tate's to keep your feet soft!

Cool Refresher: Freeze Tate's the Natural Miracle Conditioner in an ice cube tray; rub a frozen conditioner cube on hot tired feet for an invigorating and refreshing lift.

Massage Cream

Massage Tate's the Natural Miracle Conditioner into skin in a circular motion, focusing on small areas at a time. Absorbs quickly.

Try lightly warming Tate's the Natural Miracle Conditioner and then using as a massage cream.

Add essential oils to Tate's the Natural Miracle Conditioner for a custom massage cream. To one ounce of conditioner, add 10-12 drops of essential oils. Be sure to test for sensitivity to the oil first and never apply essential oils directly to the skin. Try lavender or chamomile, although note that neither should be used during the early stages of pregnancy. Also, chamomile is in the ragweed family and should be used with caution by those with a ragweed allergy. Learn more about essential oils [here](#).

Take some Tate's the Natural Miracle Conditioner along with you to your next massage!

Sunshine Cream

Before going out in the sun, apply Tate's the Natural Miracle Conditioner to skin that will be exposed to the sun as a great moisturizing supplement to sunscreen.

After Tan Moisturizer

Apply Tate's the Natural Miracle Conditioner generously all over your body after being out in the sun to help preserve your tan, moisturize your skin, and prevent flaking and peeling.
