**OSN™ SHOWCASES EXCITING
NEW DIGITAL ACCESSORIES AT PMA 2006**

OSN™, a manufacturer and supplier of high-quality digital and photographic camera accessories and tripods, arrives at PMA 2006 with three exciting new digital products to enhance its line of digital accessories. The Universal Li-ion Charger, the PH15 Collar Lock Panhead, and the Cable Caddy™, will be unveiled during PMA 2006, along with other innovative products from OSN.

OSN has founded its reputation on originality and inventiveness in the arena of digital accessory design. "We strive to continually exceed customers' expectations in the areas of product quality and design," said David Breymeier, president of OSN. These new products embrace those traditions, offering increased versatility and mobility for the digital photographer.

The **Universal Li-ion (Lithium Ion)** Battery Charger fits most digital camera and camcorder batteries, and is also compatible with some cellular phone batteries. The Li-ion Charger is suitable for use with 3.6 V - 7.6 V Lithium batteries.

The product features include adjustable terminal positions, universal 100 V - 240 V input, as well as automatic voltage, polarity and error detection, adjustable terminal positions and a hinged cover for easy storage. The Manufacturer's Suggested Retail Price: \$59.99

The **PH15 Collar Lock Panhead** is a ball socket panhead fitted with a collar lock instead of traditional locking levers or handles. This unique feature allows for one-handed set up and positioning. The new panhead also includes a sure-lock quick release mounting platform, level bubble, and large rubber collar lock. Perfect for Digital SLR's, SLR's, and medium format cameras, the PH15 Collar Lock Panhead is lightweight -- weighing in at one pound and eight ounces, with a height of 6.25 inches. The Manufacturer's Retail Price: \$99.95

The OSN **Cable Caddy™** is a handy organizer for digital camera cables and computer cables. The Cable Caddy features a durable, compact nylon case that fits neatly into a camera bag, computer case, backpack or suitcase. It is designed to open fully and offer a clear view of all contents. OSN will offer two styles of this caddy. The CC-02 Cable Caddy includes zippered nylon case, with four handy Velcro ties.

CC-03 Cable Caddy includes zippered nylon case with four Velcro ties and a mini optical mouse with USB connector and retracting cable wheel.

Case dimensions: L 10" x W 2.5" x H 2.5"

Mini optical dimensions: L 3.25" x W 1.5" x H 1"

The Manufacturer's Retail Prices:

CC-02: \$14.99

CC-03: \$24.99
