

**FOR IMMEDIATE RELEASE**

## **OSN™ - AN EXCITING NEW BRAND ENTERS DIGITAL AND PHOTO MARKETS**

### *OSN™ Premieres New Line of Versatile Digital Accessories and Products*

OSN™ is a newly established distributor of high-quality digital accessories and tripods. OSN™ has debuted an exciting new line of accessories and digital kits that are designed to meet the ever-changing needs of today's consumers.

While most of its competitors offer products that focus solely on the digital camera, OSN has a new approach. The company offers a complete line of complimentary products that address the process of both shooting and printing digital images, as well as simplify the media storage process.

The OSN line features 11 versions of its Digital Accessory Kit, each offering a mix of functional products for all types of digital cameras. Here's a snapshot of the OSN™ Digital Accessory Kits, which offer value and universal appeal.

#### **THE OSN™ DIGITAL LINE**

- **DK 002LP** – This multi-purpose Digital Accessory Kit comes complete with a paper cutter that features a metal slide bar and stainless steel rotary cutter. It can handle multiple sheets of 8.5 x 11 paper, and is ideal for sizing, cutting and trimming. The DK 002LP also features a mini table tripod, cleaning cloth and a Universal Digital Memory Card Case. (Manufacturer's Retail Price: \$49.95)
- **DK 008** – Another version of OSN's Digital Accessory Kit. This kit includes the Mini Table Tripod, Cleaning Cloth for the Camera Lens and LCD screen, and a Universal Digital Memory Card Hard Case. (Manufacturer's Retail Price: \$29.95)

#### **A CLOSE UP LOOK AT SOME OF THE ACCESSORIES**

- **Universal Digital Memory Card Hard Cases (DK 014)** – This hard case features a versatile interior design that allows it to hold any type of media, including a Memory Stick, Secure Digital, Compact Flash, Smart Media, or XD Media. The protective rubberized interior has a unique eggshell shape that secures any type of digital media. (Manufacturer's Retail Price: \$12.95)
- **Universal Digital Memory Card Case (DK 013)** – Universally designed to hold Memory Stick, Secure Digital, Compact Flash, Smart Media or XD Media. Features interior nylon mesh pockets and a durable zippered nylon outer shell. (Manufacturer's Retail Price: \$7.95)
- **Mini Table Tripod (OS-30)** – Perfect for both digital and photographic cameras. It is equipped with a multi-positioning ball socket panhead, three-section adjustable legs and rubber, non-slip foot pads. It reaches a maximum height of 11 inches. (Manufacturer's Retail Price: \$19.95)

- **Cleaning Cloth for Camera Lens and LCD Screen** – The perfect size, the cleaning cloth is 5 x 6 inches and is made of a quality micro fiber cloth.

OSN™ may be the new kid on the block, but its President and Founder is no stranger to the industry. The company is the brain-child of photo industry veteran David Breymeier. Breymeier has worked with some of the leading companies in the industry, including Hakuba-Velbon, where he helped to launch and market some of the company's most successful products.
