

Join quilters across the country who are helping raise money for Alzheimer's research by creating and donating a quilt for the **Priority: Alzheimer's Quilt** project. The maximum size is just 9" x 12" — that's small enough to fit inside a USPS flat cardboard priority mailer without folding.

Quilts need not be about Alzheimer's. Any theme, style, color, technique, and shape are welcome. Here's a the perfect "excuse" to experiment with a new technique, pattern, or color combination. **Priority: Alzheimer's Quilts** are auctioned monthly or sold outright. All profit is used to fund Alzheimer's research.

The Priority: Alzheimer's Quilts Project is sponsored by the **Alzheimer's Art Quilt Initiative (AAQI)**, a grassroots effort founded by Ami Simms to raise awareness and fund research. For more information, please see [www.AlzQuilts.org](http://www.AlzQuilts.org)
