

Alzheimer's Art Quilt Initiative

**Raising Awareness
&
Funding Research
Through Art**

www.AlzQuilts.org

MORE THAN 5 MILLION AMERICANS HAVE ALZHEIMER'S DISEASE

The simple act of writing the name of someone you know who has or had Alzheimer's on a piece of purple fabric will help give voice to the struggles of millions. Our petition in cloth honors those we have lost and those we are losing, inviting all who see it to look beyond the numbers and see the people affected by this devastating disease. Only then will they appreciate the urgency of the challenge ahead — to find a cure.

The quilts made from names of those we honor and remember will be part of a traveling exhibit called "Alzheimer's Illustrated: From Heartbreak to Hope." It will travel throughout the United States for five years beginning in 2011 to raise awareness and fund Alzheimer's research.

Please write the names of people you know who have/had Alzheimer's or a related dementia, one per patch. Please include their city and state. You may refer to them by name or nickname.

The Alzheimer's Art Quilt Initiative is a nonprofit corporation, designated as a public charity by the IRS under section 501(c)3 of the Internal Revenue Code. Learn more about our mission at www.AlzQuilts.org. Your support is greatly appreciated.
