SYNOPSIS (THIS OUTLINES THE FLOW OF THE PARTY EVENTS).

The producers of *Pirates of the Pacific* hosted a VIP gala event for their upcoming movie release. 'Pirates of the Pacific' was a multi-million dollar budgeted movie and thrilling pirate adventure starring Cap'n Jack as the rum-toting pirate Captain 'Cap'n Jack' and Kayla Mightly as a prim and proper heiress and wannabe pirate, Elizabeth Flamingo. The producers invited the top paparazzi-provoking personalities of Hollywood to attend this special unannounced VIP premiere to promote additional media hype for the movie. The guests arrived on the red carpet and were greeted with cocktails and appetizers. Most of the celebrities already knew each other and so they participated in a fun challenge of having the most money at the end of the night's events while avoiding the notorious Fed-X who can siphon your money like no other! After mingling about and getting caught up on all of the latest Hollywood gossip, the guests underwent a fun 'What Movie Star Am I?' challenge. Then, a delectable star-worthy dinner was served while they worked on a challenge called 'Writers, Directors, Producers and Actors.' Given a premise, the stars had to write, direct, produce and act out their own skits that they created during dinner! They laughed at each other tremendously...that is....until one of the guests was murdered! To minimize the negative press surrounding a murder case, the guests decided to rally together to figure out 'whodunit' calling the police. The exciting investigation lasted a while as the guests mingled and collected information from each other. Some pieced together the crime with no problem while others were way off base! Then, one by one, the guests came clean with their involvement, if any, with the crime...and the thief confessed! To top off the night, the guests participated in a 'Movie Production Charades' Challenge. Overall, the movie premiere was a success and it was the place to be in all of Hollywood!

HOW TO PLAY A MYSTERY QUEST INSTRUCTIONS

Professional actors are great for mysteries but do not worry because you do not have to be a good actor – or an actor at all – to play a mystery! The only quality that you need to possess is the ability to have a blast!

The mystery party is separated into 3 rounds. During the party, you will be handed an envelope that contains the clues necessary for your character for the round. The clues will provide everything that you will need to solve the mystery. However, during the investigation segment of the game, you will need to ask the right questions and pay close attention to other guests' clues to be able to get the whole picture of what has happened.

until the end! Undoubtedly, your host has cast you into a character that you are comfortable playing. There are some characters that are designed to be played more reserved than other characters that should be played more boisterous. Feel free to play your role however you feel comfortable. Feel free to embellish your character's personality if you would like. However, if you are feeling more reserved tonight, you can opt to allow the other characters to approach you or you can simply listen in on others' conversations to get your information. Not everyone needs to or should have the spotlight!
