MYSTERY OUTLINE

Bisty Crinkley was celebrating her birthday at the House of Groove Discotheque! Groovy Cats and Foxy Mamas from miles around flocked to the disco for a chance to be with the 'in crowd.' Once the guests arrived, they got the party groovin' with some '70s ice breakin' trivia questions. After mingling a bit and nibbling on yummy appetizers, they had a blast with a challenging disco ball making contest (optional)! Then, the guests ate a scrumptious '70s style dinner and underwent a memorable disco dance competition whereby, in teams, they were asked to create a brief yet unique disco routine to a groovy '70s disco song. When everyone was ready, the partners performed their routines for each other and the judge(s) selected the most outta sight disco dancers! Then the dance floor opened to everybody who felt funky enough to let it all hang out...that is, until the disco ball dropped and claimed a victim! The guests quickly rallied together to figure out what happened at the House of Groove Discotheque. After a thorough investigation, the guests submitted their guesses of whodunit, why and how before hurling themselves into an ultra-competitive '70s musical challenge (optional). After the fun, the guests met a final time and came clean with their involvement, if any, with the murder...and the murderer confessed! To cap off the groovy night and release some stress from the night's shocking events, the guests participated in a far out '70s Charades game (optional).
