# LIST OF CHARACTERS

CHARACTER NAME AND LABORATORY	CHARACTER DESCRIPTION	COSTUME SUGGESTIONS
	<p><b>TAYLOR HOLMES</b> <i>London, England</i></p>	<p>If you had to choose one word to describe Taylor Holmes it would definitely be 'Genius.' Taylor is the Director of the Crime Lab of the Metropolitan Police Service in London, England. Taylor is highly respected in the U.K. as a criminal investigator and is an international leader in biochemical forensics research!</p>
	<p><b>CRICK WATSON</b> <i>Sydney, Australia</i></p>	<p>Crick Watson is the crabby and introverted trace evidence analyst from Sydney Australia. Brilliant-minded but lacking in social skills, this microscope-wielding lab tech is the one to go to if you need a hair, fiber or paint chip analyzed!</p>
	<p><b>CAT WILLOWS</b> <i>Las Vegas, U.S.</i></p>	<p>Cat Willows is the dependable and very loyal trace evidence specialist from Las Vegas, Nevada. Known to suffer from obsessive compulsive disorder, Cat is definitely one to check the test results two, three or even four times! If Cat's analyzed the data - you <i>know</i> it's right.</p>
	<p><b>ALEX CHRISTIE</b> <i>Los Angeles, U.S.</i></p>	<p>Alex Christie is the ultra-mysterious DNA analyst from Los Angeles, California. Even though Alex has been a crime scene investigator for over ten years, nobody <i>truly</i> knows the real Alex.</p>
	<p><b>MAGNUS PI</b> <i>Dallas, U.S.</i></p>	<p>The ultra-eccentric Magnus Pi is the talented questioned document examiner from Dallas, Texas. An international legend in handwriting and document analysis, this fraud-spotting crime scene investigator is definitely one to call on to investigate any crimes involving documents!</p>
	<p><b>JORDYN "J.J." GITES</b> <i>Dublin, Ireland</i></p>	<p>Fingerprints anyone? Jordyn 'JJ' Gites is the world's preeminent fingerprint examiner...<i>hands down!</i> If a crime lab can't lift a fingerprint from a piece of evidence they send it to JJ and s/he'll find every last one! This is one nerdy perfectionist that definitely knows how to dust a print...<i>and how to cut a rug on the dance floor!</i></p>
	<p><b>SKY STOKES</b> <i>Cape Town, South Africa</i></p>	<p>If you hear singing during a crime scene investigation, it is most likely the voice of Sky Stokes. Known to be quite paranoid, this hyperactive firearm and tool mark analyst from Cape Town, South Africa is the one to be around during any investigation...that is, if you want entertainment!</p>
	<p><b>JAIME CLUSEAU</b> <i>Ontario, Canada</i></p>	<p>Jaime Cluseau is the ill-mannered DNA analyst from Ontario, Canada. One of the brightest minds in the field of DNA, but extremely hard to work with - Jaime has developed quite a reputation for being difficult.</p>
	<p><b>RYAN LANGLEY</b> <i>New York, U.S.</i></p>	<p>Ryan Langley is the overly-sensitive entomologist from New York, New York. Ryan is the leading expert of forensic insect evidence. If you need identification of an insect or if you need to know how long it's been there...see Ryan Langley! However, treat Ryan with the utmost respect and care as it's known that s/he can't take strong personalities.</p>

	<p><b>TEMPLAS SIMONE</b> <i>Los Cabos, Mexico</i></p>	<p>The moody and insensitive Templas Simone is the world's renowned arson expert. It's rumored that Templas can smell smoke from over a mile and detects the cause of a fire by simply walking into an ashy room! Templas is definitely a hard friend to have, however, as the mood swings are a real killer!</p>	<p>Lab coat, a sombrero and any type of investigation tools - notepad, latex gloves, forceps, etc.</p>
	<p><b>SAGE SPADE</b> <i>Bundenbach, Germany</i></p>	<p>Watch what you say around Sage Spade. Sage is the nosy &amp; gossiping German botanist and long-time member of the <i>International Crime Scene Investigation Association</i>. There is not a plant alive that Sage doesn't know every detail about, so Sage is definitely the one to go to if you need details about a plant specimen or soil sample. But take heed because whatever you say when you talk to Sage is definitely on public record!</p>	<p>Lab coat and any type of investigation tools - notepad, latex gloves, forceps, etc. Optional props are any type of plant specimens that you can show your colleagues.</p>
	<p><b>JADEN BRASS</b> <i>Madrid, Spain</i></p>	<p>Jaden Brass is the Spanish rookie of the International Crime Scene Investigators Association. A part-time bull fighter specializing in latent fingerprints, this bluntly honest newbie crime scene investigator has been doing quite well at the Madrid Criminal Investigation Laboratory. Rumor has it that Jaden is up for a big promotion already!</p>	<p>Lab coat, a bull-fighting cape and any type of investigation tools - notepad, latex gloves, forceps, etc.</p>
	<p><b>GIOSETTE GRISSOM</b> <i>Napoli, Italy</i></p>	<p>The ultra-spunky Italian - Giosette Grissom - is one of the 'greats' of fire arms and tool mark analyzing. Giosette Grissom is also known for another awesome talent - s/he is a constant mocker! Just don't let Giosette stand behind you or you'll definitely have an irritating shadow!</p>	<p>Lab coat and any type of investigation tools - notepad, latex gloves, forceps, etc. Hair slicked straight back.</p>
	<p><b>SIDNEY SIDLE</b> <i>Washington D.C., U.S.</i></p>	<p>Sidney Sidle is the outgoing part time stand-up comedienne and DNA Analyst from Washington, D. C. S/he is ultra-friendly on the outside, but don't cross this comic or you are certainly going to pay...possibly with your career! This lab analyst has friends in very high places!</p>	<p>A dark-colored suit and any type of investigation tools - notepad, latex gloves, forceps, etc. Hair should be ultra-professional. A rubber chicken or any other 'joke/comedy' items as optional props.</p>
	<p><b>DAKOTA TRACEY</b> <i>Manchester, England</i></p>	<p>Dakota Tracey can best be described as the prim &amp; proper poet of the crime scene investigation world. A biochemist by training, Dakota heads up the Crime Lab in Manchester, England. Dakota is a very well-respected forensic investigator worldwide.</p>	<p>More traditional detective attire - i.e. a Sherlock Holmes costume.</p>
	<p><b>MANCHESTER LAB PERSONNEL</b> <i>Manchester, England</i></p>	<p>The Manchester Crime Lab is the premiere forensic science training facility. Dakota Tracey - the Director of the Manchester Crime Lab - is known for bringing most of the Manchester Crime Lab personnel with him/her to the <i>International Crime Scene Investigation Association</i> conventions. Dakota believes that his/her staff needs the same exposure that s/he gets by attending all of the world-wide forensic conventions.</p>	<p>More traditional detective attire - i.e. a Sherlock Holmes costume.</p>
	<p><b>DAL KREAGAN</b> <i>Charleston, South Carolina</i></p>	<p>Dal Kreagan's not the most experienced crime scene investigator, but s/he's proven to be a remarkable sleuther, nonetheless! Dal's the youthful Private Eye from South Carolina who inherited a successful Private Detective Agency only a few years ago. Tenacious &amp; ultra-discreet, this fiercely independent investigator is the one who the Charleston Police Department call upon for a helping hand when they get stumped!</p>	<p>Lab coat and any type of investigation tools - notepad, latex gloves, forceps, etc.</p>

	<p><b>INSPECTOR NORSE</b> <i>Honolulu, Hawaii</i></p>	<p>Known for being an excellent profiler, Inspector Norse is very driven and can be looked upon as quite unpredictable - nearly as much as the criminals s/he's put behind bars! Having escaped a near-death experience during an investigation, this Inspector's past seems to have enabled an uncanny <i>sight through a killer's eyes!</i></p>	<p>All black attire with a black jacket that says 'Forensics' or 'CSI' on it. You can make the letters out of construction paper and tape it to the back.</p>
	<p><b>MAX MARPEL</b> <i>New Orleans, Louisiana</i></p>	<p>This ruthless and unconventional DNA analyst from New Orleans is the one to have on your side when you need help solving a case! Max Marpel is notorious for solving the most complex cases involving DNA - and in record time! However, Max is very intense and prefers to work alone.</p>	<p>Lab coat and any type of investigation tools - notepad, latex gloves, forceps, etc. Hair ruffled up a bit. Optional Mardi Gras beads as props.</p>
	<p><b>ADDY DANGLISH</b> <i>Rome, Italy</i></p>	<p>This ultra-morose biochemist from Rome would rather watch paint dry than engage in a meaningful conversation with anyone. Addy Denglish is a talented investigator but is often found humming a solemn tune and staring blankly at the wall. Those closest to Addy say that it is because Addy is an utter genius and prefers to think deep thoughts over speaking.</p>	<p>Lab coat and any type of investigation tools - notepad, latex gloves, forceps, etc. Hair slicked straight back.</p>
	<p><b>CORDON GREY</b> <i>Toulouse, France</i></p>	<p>Cordon Grey is the Questioned Document Examiner that lives life at top speed. Nothing slows down this fast-talking French investigator! Cordon is the ultra-ambitious child of a Police Chief that's determined to be 'more' than his/her parents were and Cordon's ambition definitely shows it! Cordon is seriously addicted to the <i>thrill of the chase</i> when s/he's in the midst of an investigation.</p>	<p>Lab coat and any type of investigation tools - notepad, latex gloves, forceps, etc. Optional props are any type of plant specimens that you can show your colleagues.</p>
	<p><b>ROSSY PANNER</b> <i>Hobart, Tasmania</i></p>	<p>Rossy Panner is a latent fingerprint examiner and the wealthy owner of an International Private Investigative Agency in Hobart, Tasmania called <i>The Panner Agency</i>. This Agency is a group of elite investigators for hire. Internationally known and called upon, this group can find any 'needle' in any 'crime scene haystack!' The Panner Agency typically takes on unsolved cases that police departments have given up on. The <i>Panners</i> have the best techniques, some of the best forensic minds and definitely the most expensive equipment in the world to aid their investigations!</p>	<p>Very trendy and ritzy-looking detective attire - i.e. a rich-looking Sherlock Holmes costume. Optional business cards for '<i>The Panner Agency</i>' as props.</p>
	<p><b>HETNEY WINTHROP</b> <i>Acapulco, Mexico</i></p>	<p>Hetney Winthrop is the most gentle and appeasing firearm and tool mark investigator you'll ever have the pleasure of meeting. Hetney is a perfect role model and is known for giving time to volunteer in his/her community and for giving as much as possible to various charity organizations. There is nothing that Hetney wouldn't do for a friend...or even a stranger!</p>	<p>Lab coat, a sombrero and any type of investigation tools - notepad, latex gloves, forceps, etc.</p>
