She is known to be a tad eccentric as she wears a vial of blood of her ex-husband's around her neck. She is an avid knife collector as well as a collector of all things belonging to another Hollywood starlet, Mennifer Enniston. People find this obsession strange, but Zangelina is quite open about it and could care less about what those around her gossip about. This starlet is lovely to be friends with as long as you're not stealing the limelight from her, that is.</p>	<p>Glamorous attire – evening gown and hair in an updo.  <p>Shady Gnomes-Bruise <i>Actress and wife of Dom Bruise</i></p> <p>REQUIRED Female</p>	<p>The mysteriously calm Shady Gnomes-Bruise is the wife of Dom Bruise, a big Hollywood star and one of the richest people in America. There is a lot of gossip traveling through the Hollywood grapevines about this married couple and their weird habits. Shady is tied to her husband Dom by a wrist leash all day! The only time she is released from it is at night when her husband sleeps in his oxygen chamber. People just don't understand how wearing a wrist leash could make Shady feel comfortable and loved...like Dom says it does.</p>	<p>Glamorous attire – evening gown with a stylish hairstyle. A leash attached to the wrist (it can be a long ribbon) as a required prop.</p>
 <p>Dom Bruise <i>Actor and husband of Shady Gnomes-Bruise</i></p> <p>REQUIRED Male</p>	<p>The word eccentric is not even strong enough for this Hollywood big dog! Dom Bruise has been in a hundred more movies than the average Hollywood Joe and is one of the richest people in America. He wants to feel very close to his wife Shady all day long. He keeps her on a wrist leash and he'll be the first one to tell you that she likes it that way and it makes her feel safe. Another oddity of this star is that he constantly jumps on top of furniture when he gets excited! The Hollywood crowd knows if you are inviting Dom to your place for dinner...get the plastic sheets out for protection!</p>	<p>Fabulous attire – tux or suit. Since this character is crazy, you can wear an extremely flashy shirt (red sequined, etc) and dress pants. Bring shoe booties if you plan on jumping on top of furniture.</p>
 <p>Nindsey Noman <i>Actress and Notorious Party Girl</i></p> <p>REQUIRED Female</p>	<p>This prior child actress has recently turned into a Hollywood wild child! She's been spotted on occasion crawling around in night clubs or driving erratically away from night spots! This star has a problem with obsessive crushes on Hollywood men and it sometimes gets her into trouble. She knows that her father is a Hollywood actor, but she doesn't know which one but he seems to bail her out of trouble all of the time. The tabloids have said that her 'daddy issues' are what is causing her to go crazy.</p>	<p>Glamorous but tattered attire – a non-fitting evening gown. This character was drunk when she got dressed. Any optional props that would make you appear as a 'wild child.'</p>

He's recently become a puppet to his newfound love, Meece Witherfork. This guy's shallow on the surface, but has a deeper analytical side with a full bag of tricks up his sleeve. You never know what to expect out of Prince.</p>	<p>Fabulous attire – tux or a suit.</p>

CHARACTER NAME AND OCCUPATION	CHARACTER DESCRIPTION	COSTUME SUGGESTIONS
 <p>Meece Witherfork <i>Top Grossing Actress in the U.S.</i> REQUIRED Female</p>	<p>This pampered, spoiled actress is #1 in Hollywood. She is the top paid and most sought after star. Her status often angers other Hollywood starlets who only get the chance to star in parts that she has turned down. Well, that's been the case until the movie 'Mistman' when Zangelina got the part without Meece being offered the role first! Luckily, this uber famous starlet has been distracted lately with her new beau, Prince Prawn.</p>	<p>Glamorous attire – evening gown - and a mirror to frequently check yourself with.</p>
 <p>Wack Pickleson <i>Actor</i> REQUIRED Male</p>	<p>This seasoned Hollywood veteran is known for his absence of fashion sense. Unstable, drunken and crazy would definitely sum up this middle-aged star. He's currently dating an actress nearly 30 years younger than him, Beerstin Duncce. People often don't appreciate his acute brutish sense of humor and he speaks his mind as he sees fit without a care of anyone's feelings. Wack is also known to blackmail other Hollywood personalities if ever given the opportunity. And, he does it for fun, he doesn't need the money.</p>	<p>Dress completely atrociously – non-matching, non-fitting, etc.</p>
 <p>Uba Vernon <i>Actress</i> Optional Female</p>	<p>Uba Vernon is one of the older Hollywood starlets and is enduring a downswing in her career. She is desperately trying to climb out of a slump after her last failed movie, 'Wingers and Shakers' where she played the role of a struggling Hooter's waitress running from an enraged swamp creature down the Mississippi River. Uba often finds herself feeling jealous of the younger upcoming actresses and this doesn't bode well for her career either. She is also known for being a big kleptomaniac and has an unhealthy obsession with Wack Pickleson.</p>	<p>Glamorous attire – evening gown - with a big purse to steal things with as a prop.</p>
 <p>Miami Bloom <i>Actor</i> Optional Male</p>	<p>Miami Bloom was once a top ranked Hollywood actor...that is, until he did the movie 'Roy.' He feels that the role he played in the movie portrayed him as a huge wimp and he can't get over that in reality. In a desperate search for the high self esteem he once had, he's clinging on to a tiny hope that Nindsey Noman will one day agree to go out with him. Maybe if he finds a woman that finds him interesting, it will help him get over the current funk he is in. But he needs to find a friend to ask her out for him because he is too scared to do it himself.</p>	<p>Semi-glamorous attire – a low key navy or brown suit (nothing flashy) – remember you have a low self esteem...so dress like it!</p>
 <p>Beerstin Duncce <i>Actress</i> Optional Female</p>	<p>Beerstin Duncce was once a child star and is now trying to make a big come back on the Hollywood scene. She is dating Wack Pickleson and some say, it is only for his connections as he is nearly 30 years her senior. She just finished filming a moderate budgeted movie, 'Beetleman', and is looking to score even better roles in upcoming movies.</p>	<p>Cheap but glamorous attire – you are not a top paid actress so you can't appear too fabulous!</p>
 <p>Donnie Jepp <i>Actor</i> Optional Male</p>	<p>Donnie Jepp is the first one to tell you when you're not doing things right. His blunt honesty is actually charming to the ladies...well; everything Donnie does is charming to the ladies! Strangely, this ultra mysterious fellow is left alone by the media and everyone in Hollywood wants to know his secret! Rumor has it that Donnie doesn't even walk, he glides!</p>	<p>Fabulous attire – tux or suit with a top hat. This character is mysterious – so any props to make you appear mysterious (i.e. pocket watch, sunglasses, goatee, gloves, etc.)</p>
