MYSTERY SYNOPSIS

The monsters arrived at the Annual Monster Summit expecting a typical meeting of planning the upcoming year's frightening events! As usual, a few monsters fouled the chemistry of the group and caused uncomfortable tension. Nonetheless, the monsters kicked off the evening with creepy cocktails and eerie appetizers. They challenged each other on amusing monster trivia questions before engaging in a catch-up session of the past year's events. The monsters played some hilarious games such as the Horrific Rap Contest and the Frightening Disguise Challenge. Some of the monsters continued to create hostilities towards one another and so dinner was served with a fun distraction of the Spooky Movie Challenge. Then, to everyone's shock...a monster was murdered! The victim, now a ghost, threatened to haunt everyone forever if the murderer wasn't unveiled quickly! So the monsters investigated the crime and solved whodunit - while taking a few breaks to play the What Spooky Thing am I game, and the Ghoulish Balloon Blower challenge! Then, gruesome dessert was served with grisly coffee and one by one, the monsters accused who they believed to be the murderer...and the monstrous murderer confessed! To top off the Annual Monster Summit, the monsters played the Fearsome Charade Challenge. Overall, it was a very interesting night at the Monster Summit and humankind should look forward to the spooky events the monsters have planned for the upcoming year.
