*Synopsis* – this outline explains the flow of the party!

Hanna and Harry Heart are a legend in the town of Amorville. They both grew up there and turned into the town's most popular and enviable high school sweethearts as the All-Star Cheerleader & State Champion Quarterback! They wed soon after high school and today, Hanna's a beautiful NFL cheerleader and Harry's a talented Quarterback for the St. Louis Lambs! The Hearts travel to Amorville often to see their family and friends and have made it a tradition to host a Valentine's Day soiree in Amorville. (*The host of the party does not need to be Hanna or Harry Heart! This is only in the storyline.*) This year, they hosted their party at the lovely and quaint Mio Amore Café – in the heart of downtown Amorville. As soon as their guests arrived, they mingled with yummy appetizers and quizzed each other on Famous Couples trivia questions while catching up on the latest juicy gossip. Hanna got the party going with some fun Valentine's Day spirited games such as the Romantic Movie Challenge, the What Valentine's Day Thing Am I game, the Mio Amore Rap Contest and the So You Think You Can Dance Challenge. Hanna served a delectable dinner and to everyone's shock...a victim collapsed to their death! The guests rallied together to figure out whodunit before the police arrived! Only stopping to break the intensity of the investigation with some hilarious games such as the Valentine's Day Charade Challenge and the How Do You Do, I Know You Contest, the guests pressed on and filtered through information they gathered from the suspects! Hanna's older brother, being the lead forensic investigator in Amorville, performed a preliminary forensic investigation. The guests quickly used this valuable information to submit their best guess of whodunit to Hanna. Once everyone was certain they had chosen the right suspect, they took turns accusing each other and then to everyone's amazement, the murderer confessed! After a brave escape attempt by the murderer, the guests relieved their stress with some more entertaining games such as the Love Song Lyric Challenge and the Valentine's Day Love Bird Challenge.

Overall, it was Hanna and Harry's most memorable party!

The mystery is separated into 3 rounds. During the party, you will be handed an envelope that contains the clues necessary for your character for the round. The clues for all of the required characters provide everything that you need to solve the mystery. However, during the investigation segment of the game, you will need to ask the right questions and pay close attention to everyone's clues to be able to get the whole picture of what has happened.

# FULL INSTRUCTIONS IN The PURCHASED game.

From this point forward, you are to remain in character until the mystery is solved. If you are playing a 'green alien from Mars', then that is who you are until the end! Undoubtedly, your host has cast you into a character that you are comfortable playing. There are some characters that are designed to be played more reserved than other characters that should be played more boisterous. Feel free to play your role however you feel comfortable. Embellish your character's personality if you would like. However, if you are feeling more reserved tonight, you can opt to allow the other characters to approach you or you can simply listen in on others' conversations to get your information.

Cocktails (yummy non-alcoholic drinks for teens) and appetizers can be served and a round one envelope should be handed to each guest. Make sure the guests' instructions and the character descriptions are available for the guests to review. You can also creatively display the clue-containing envelopes on a table for the guests to locate their own character names. Don't forget to take both individual pictures of your guests and a group picture once everyone arrives as they'll all want copies of these!

This round is designed for the characters to get acquainted with each other and the plot will start to unfold as the characters discuss the information in their clue cards. Motives will be unveiled and some characters will be instructed to perform certain actions throughout the game. Make sure not to rush this round as it is actually the most important round. First time hosts tend to rush things...don't do this! It will take time for each guest to make their rounds to speak to everyone and discuss things that they are instructed to discuss as per their clue cards.

- Any of the bonus game materials (optional) – including the **Money Challenge** money.

**ROUND ONE CLUES** – CUT OUT, SLIP INTO ENVELOPES AND LABEL WITH THE APPROPRIATE ROUND AND CHARACTER ✂

## hanna heart- round one

*Remember that you are the ultra-energetic Cheerleader for the St. Louis Lambs Football Team. You are known for an outwardly aggressive persona and you'll do anything to get your way. You and your husband Harry grew up in Amorville and come to town to visit your friends throughout the year and you always come into town to host a Valentine's Day dinner party!*

### USE THE FOLLOWING FAMOUS COUPLE TRIVIA QUESTIONS AS AN ICE BREAKER

**Question:** Everyone was shocked when this 'pretty woman' married Lyle Lovett. Who was she? **Answer:** Julia Roberts

**Question:** Angelina Jolie was married before she married Brad Pitt. What 'older man' was she hitched to? **Answer:** Billy Bob Thornton

### CLUES TO REVEAL DURING THIS ROUND

**During this round, mingle with other guests to discuss the following information with whomever you choose:**

- Tell Ador Candyman that you had some mobsters visit you the other day back home to collect on the debt that you accrued in your name for the bet you placed for Ador on the Super Bowl this year. The mobsters will murder you! They've given you 48 hours. They said they would blow up the plane in St. Louis and you better have the cash in hand or you will 'swim with the fishes'.
  - Tell a few people about your situation and get their advice on what you should do. You need \$50,000 right now – maybe you could borrow it from your friends? It's worth a shot. (*disregard this and do not try to borrow money from friends.*)
  - Tell a few people about how your husband Harry wants to build a youth football team in Amorville since you both grew up here. However, Desiree and Ador Candyman refuse to sell the land that Harry purchased. The Candymans have a fireworks stand on it that they want. Even though Harry's offered them triple the price the land is worth –they still refuse to sell.
  - Tell your husband Harry to try to be nice to people for a change. This is your party and you want to have a good time.
  - Tell Hershey Darling that you heard that he had some out of town visitors in suits and they were looking for a government license plates to his chocolate shop the other day. Ask him what the license plates were.
- PERSONAL CLUES TO CONCEAL**
- You placed a bet for Ador in St. Louis with some bookies. Ador lost the bet and owes you \$50,000 and you are in serious trouble since it was under your name. You are probably going to get caught. Her know about his gambling problem. You really don't want to tell your husband Harry about it or he'll flip out! He certainly can't have any scandals hit the media as it could jeopardize his career. If the media found out that a cheerleader who is the wife of an NFL player was making bets on football games – you're pretty sure it would look really bad!

**EACH CHARACTER  
WILL HAVE A  
ROUND ONE CLUE  
CARD IN THE  
PURCHASED  
GAME**

**During the mystery, your character must be honest and not make up any potentially mystery-altering clues in addition to those provided to you. You do not, however, have to share the clues that you collect with other guests.**

The murder victim will be instructed in their clue card to become the victim according to a cue of the host reading the results of the **Romantic Movie Challenge** to the group (see below). The murder victim will be instructed in their round two clue card to go to the nearest restroom and find the victim kit and to put the white face makeup on their face (optional), put on the victim sign by adhering it to their chest with Scotch tape, to adhere the murder weapon to their hand with scotch tape, and if the optional victim t-shirt is available- to put that on (with the victim sign on top) and if the crime scene tape is there - to decorate themselves with it. **It is hilarious when a fully decorated victim walks back into the party room!**

## ROUND TWO REQUIRED ACTIVITY

### Romantic movie challenge

**FULL INSTRUCTIONS IN  
The PURCHASED game.**

If you do not wish to do this challenge (Romantic Movie Challenge) – feel free to skip it – but you will need to ‘cue’ the victim when it is time to become the victim after the pre-murder clues have been implemented by everyone (~ 30 minutes into Round Two). Doing it this way, you’ll need to know who the victim will be so view the Round Two Clue cards to find out in advance of the party.

**ROUND TWO CLUES – ✂ CUT OUT, STUFF INTO LABELED ENVELOPES WITH THE APPROPRIATE CHARACTER AND ROUND. TO BEGIN ROUND TWO, PASS OUT THESE ENVELOPES TO THE GUESTS.**

## **HARRY HEART – ROUND TWO THE MURDER WILL OCCUR DURING THIS ROUND**

### **PRE-MURDER CLUES:**

- ✂ Tell Ador Candyman that if he doesn't sell that land, you might have to resort to drastic measures. You really won't have a choice since you have the ground breaking ceremony scheduled in exactly 2 weeks.
- ✂ Ask Hanna, your wife, about this rumor you just heard about that she placed a bet with St. Louis bookies for Ador Candyman on the Super Bowl and he lost and owes Hanna money. And if the rumor is true, she's been placing bets on NFL games with St. Louis bookies that are tied to the mob – it would be a shame if her you can't ATM that much cash and there's no way to get it by the time you try to cash it in. You wished she would have told you about it before you came to Amorville.
- ✂ Speak to Rose Darling about her late great grandmother passing away last week and her inheritance because you remember that she had loads of money – at least while she was alive. Everyone called her Mrs. 'Money Bags' Candyman.

### **POST-MURDER CLUE:**

- ✂ After the victim left the room the first time (about 25 minutes ago), you noticed the victim's glass on a table on the edge. You *are* lazy, but did notice it and didn't walk over to the table and moved it. On your way over there, you bumped into the table! Your fingerprints would most likely be on the glass since you moved it back to the table.
- ✂ You know absolutely nothing about biochemistry and poisons. You are a football fan. Your wife was history. You failed physical science twice in high school.
- ✂ You know that your wife rearranged the glasses a few times on the buffet table during the party.
- ✂ You also noticed that right after the party started, Rose Darling grabbed a glass off the display but put it back and grabbed a coffee cup instead. She probably just changed her mind.
- ✂ You noticed Hershey Darling left the party area about 30 seconds or so after the victim left the party area. Then, after the victim returned, Hershey returned about 1 minute later.
