## Synopsis (This outlines the flow of the party events).

The producers of ‘Mistman’ hosted a VIP gala event for their upcoming movie release. ‘Mistman’ was a multi-million dollar budgeted movie and thrilling futuristic superhero adventure starring Prince Prawn as the strong and courageous ‘Mistman’ and Zangelina Holie-Hitt as his undying love interest, Victoria Shlonslinger. The producers invited the top echelon of Hollywood to attend this special unannounced VIP premiere to promote additional media hype for the movie. The guests arrived on the red carpet and were greeted with cocktails and appetizers. Most of the celebrities already knew each other and so they participated in a fun challenge of having the most money at the end of the night’s events. After mingling about and getting caught up on all of the latest Hollywood gossip, the guests underwent a fun ‘What Movie Star Am I?’ challenge. Then, a delectable star-worthy dinner was served while they worked on a challenge called ‘Writers, Directors, Producers and Actors.’ Given a premise, the stars had to write, direct, produce and act out their own skits that they created during dinner! They laughed at each other tremendously...that is...until a precious item of one of the guests was stolen! The guests rallied together to figure out ‘whodunit’ and return the beloved item to its rightful owner. The investigation lasted a while as the guests mingled and collected information from each other. Some pieced together the crime with no problem while others were way off base! Then, one by one, the guests came clean with their involvement, if any, with the crime...and the thief confessed! To top off the night, the guests participated in a ‘Movie Production Charades’ Challenge. Overall, the movie premiere was a success and it was the place to be in all of Hollywood!

# LIST OF CHARACTERS

CHARACTER NAME AND OCCUPATION	CHARACTER DESCRIPTION	COSTUME SUGGESTIONS
 <p><b>Zangelina Holie-Hitt</b> <i>Leading lady of the movie 'Mistman' and wife of Nad Hitt</i></p> <p><b>REQUIRED</b> Female (Host)</p>	<p>Zangelina is one of the top paid actresses in Hollywood and she is the wife of Nad Hitt. She is known to be a tad eccentric as she wears a vial of blood of her ex-husband's around her neck. She is an avid knife collector as well as a collector of all things belonging to another Hollywood starlet, Mennifer Enniston. People find this obsession strange, but Zangelina is quite open about it and could care less about what those around her gossip about. This starlet is lovely to be friends with as long as you're not stealing the limelight from her, that is.</p>	<p>Glamorous attire – evening gown and hair in an updo. A required prop is a small container with red food coloring inside tied to a string and worn as a necklace.</p>
 <p><b>Nad Hitt</b> <i>Actor and Husband of Zangelina Holie -Hitt</i></p> <p><b>REQUIRED</b> Male</p>	<p>It's no secret that Nad Hitt, a top Hollywood actor, is planning on adopting over sixty children to start his own country on an uninhabited island that he plans on buying from the Australian government. Already a father to 30 children, Nad Hitt is one of the most handsome men in Hollywood and will soon give up the celebrity lifestyle to be King of Nadland.</p>	<p>Fabulous attire – tux or suit. Multiple baby dolls as optional props.</p>
 <p><b>Shady Gnomes-Bruise</b> <i>Actress and wife of Dom Bruise</i></p> <p><b>REQUIRED</b> Female</p>	<p>The mysteriously calm Shady Gnomes-Bruise is the wife of Dom Bruise, a big Hollywood star and one of the richest people in America. There is a lot of gossip traveling through the Hollywood grapevines about this married couple and their weird habits. Shady is tied to her husband Dom by a wrist leash all day! The only time she is released from it is at night when her husband sleeps in his oxygen chamber. People just don't understand how wearing a wrist leash could make Shady feel comfortable and loved...like Dom says it does.</p>	<p>Glamorous attire – evening gown with a stylish hairstyle. A leash attached to the wrist (it can be a long ribbon) as a required prop.</p>
 <p><b>Dom Bruise</b> <i>Actor and husband of Shady Gnomes-Bruise</i></p> <p><b>REQUIRED</b> Male</p>	<p>The word eccentric is not even strong enough for this Hollywood big dog! Dom Bruise has been in a hundred more movies than the average Hollywood Joe and is one of the richest people in America. He wants to feel very close to his wife Shady all day long. He keeps her on a wrist leash and he'll be the first one to tell you that she likes it that way and it makes her feel safe. Another oddity of this star is that he constantly jumps on top of furniture when he gets excited! The Hollywood crowd knows if you are inviting Dom to your place for dinner...get the plastic sheets out for protection!</p>	<p>Fabulous attire – tux or suit. Since this character is crazy, you can wear an extremely flashy shirt (red sequined, etc) and dress pants. Bring shoe booties if you plan on jumping on top of furniture.</p>
 <p><b>Nindsey Noman</b> <i>Actress and Notorious Party Girl</i></p> <p><b>REQUIRED</b> Female</p>	<p>This prior child actress has recently turned into a Hollywood wild child! She's been spotted on occasion crawling around in night clubs or driving erratically away from night spots! This star has a problem with obsessive crushes on Hollywood men and it sometimes gets her into trouble. She knows that her father is a Hollywood actor, but she doesn't know which one but he seems to bail her out of trouble all of the time. The tabloids have said that her 'daddy issues' are what is causing her to go crazy.</p>	<p>Glamorous but tattered attire – a non-fitting evening gown. This character was drunk when she got dressed. Any optional props that would make you appear as a 'wild child.'</p>
 <p><b>Prince Prawn</b> <i>Leading man of the movie 'Mistman'</i></p> <p><b>REQUIRED</b> Male</p>	<p>He's tough as diamonds in the movies, but in his personal relationships, this Hollywood star is a real pushover! He's recently become a puppet to his newfound love, Meece Witherfork. This guy's shallow on the surface, but has a deeper analytical side with a full bag of tricks up his sleeve. You never know what to expect out of Prince.</p>	<p>Fabulous attire – tux or a suit.</p>

CHARACTER NAME AND OCCUPATION	CHARACTER DESCRIPTION	COSTUME SUGGESTIONS	
	<p><b>Meece Witherfork</b> <i>Top Grossing Actress in the U.S.</i></p> <p><b>REQUIRED</b> Female</p>	<p>This pampered, spoiled actress is #1 in Hollywood. She is the top paid and most sought after star. Her status often angers other Hollywood starlets who only get the chance to star in parts that she has turned down. Well, that's been the case until the movie 'Mistman' when Zangelina got the part without Meece being offered the role first! Luckily, this uber famous starlet has been distracted lately with her new beau, Prince Prawn.</p>	<p>Glamorous attire – evening gown - and a mirror to frequently check yourself with.</p>
	<p><b>Wack Pickleson</b> <i>Actor</i></p> <p><b>REQUIRED</b> Male</p>	<p>This seasoned Hollywood veteran is known for his absence of fashion sense. Unstable, drunken and crazy would definitely sum up this middle-aged star. He's currently dating an actress nearly 30 years younger than him, Beerstin Dunce. People often don't appreciate his acute brutish sense of humor and he speaks his mind as he sees fit without a care of anyone's feelings. Wack is also known to blackmail other Hollywood personalities if ever given the opportunity. And, he does it for fun, he doesn't need the money.</p>	<p>Dress completely atrociously – non-matching, non-fitting, etc.</p>
	<p><b>Uba Vermon</b> <i>Actress</i></p> <p><b>Optional Female</b></p>	<p>Uba Vermon is one of the older Hollywood starlets and is enduring a downswing in her career. She is desperately trying to climb out of a slump after her last failed movie, 'Wingers and Shakers' where she played the role of a struggling Hooter's waitress running from an enraged swamp creature down the Mississippi River. Uba often finds herself feeling jealous of the younger upcoming actresses and this doesn't bode well for her career either. She is also known for being a big kleptomaniac and has an unhealthy obsession with Wack Pickleson.</p>	<p>Glamorous attire – evening gown - with a big purse to steal things with as a prop.</p>
	<p><b>Miami Bloom</b> <i>Actor</i></p> <p><b>Optional Male</b></p>	<p>Miami Bloom was once a top ranked Hollywood actor...that is, until he did the movie 'Roy.' He feels that the role he played in the movie portrayed him as a huge wimp and he can't get over that in reality. In a desperate search for the high self esteem he once had, he's clinging on to a tiny hope that Nindsey Noman will one day agree to go out with him. Maybe if he finds a woman that finds him interesting, it will help him get over the current funk he is in. But he needs to find a friend to ask her out for him because he is too scared to do it himself.</p>	<p>Semi-glamorous attire – a low key navy or brown suit (nothing flashy) – remember you have a low self esteem...so dress like it!</p>
	<p><b>Beerstin Dunce</b> <i>Actress</i></p> <p><b>Optional Female</b></p>	<p>Beerstin Dunce was once a child star and is now trying to make a big come back on the Hollywood scene. She is dating Wack Pickleson and some say, it is only for his connections as he is nearly 30 years her senior. She just finished filming a moderate budgeted movie, 'Beetleman', and is looking to score even better roles in upcoming movies.</p>	<p>Cheap but glamorous attire – you are not a top paid actress so you can't appear too fabulous!</p>
	<p><b>Donnie Jepp</b> <i>Actor</i></p> <p><b>Optional Male</b></p>	<p>Donnie Jepp is the first one to tell you when you're not doing things right. His blunt honesty is actually charming to the ladies...well; everything Donnie does is charming to the ladies! Strangely, this ultra mysterious fellow is left alone by the media and everyone in Hollywood wants to know his secret! Rumor has it that Donnie doesn't even walk, he glides!</p>	<p>Fabulous attire – tux or suit with a top hat. This character is mysterious – so any props to make you appear mysterious (i.e. pocket watch, sunglasses, goatee, gloves, etc.)</p>

# HOW TO PLAY A MYSTERY

## Guest Instructions

Professional actors are great for mysteries but do not worry because you do not have to be a good actor – or an actor at all – to play a mystery! The only quality that you need to possess is the ability to have a blast!

The mystery party is separated into 3 rounds. During the party, you will be handed an envelope that contains the clues necessary for your character for the round. The clues will provide everything that you will need to solve the mystery. However, during the investigation segment of the game, you will need to ask the right questions and pay close attention to other guests' clues to be able to get the whole picture of what has happened.

**FULL GUEST INSTRUCTIONS IN THE PURCHASED GAME.**

From this point forward, you are to remain in character until the mystery is solved. If you are playing a 'green alien from Mars', then that is who you are until the end! Undoubtedly, your host has cast you into a character that you are comfortable playing. There are some characters that are designed to be played more reserved than other characters that should be played more boisterous. Feel free to play your role however you feel comfortable. Feel free to embellish your character's personality if you would like. However, if you are feeling more reserved tonight, you can opt to allow the other characters to approach you or you can simply listen in on others' conversations to get your information. Not everyone needs to or should have the spotlight!

# OPTIONAL PRE-GAME ROUND

**Host Instructions:** Before the party, encourage your guests to view this mystery on the [www.mymysteryparty.com](http://www.mymysteryparty.com) website - just copy and paste this address in an email or along with your invitation to your guests. This page includes the mystery description as well as a character list. This way, before the party, they can get familiar with the other characters that will be at the party. The game invitations also have a character list as well as a mystery description.
