## HOW TO EXPAND THE SALOME VOSSEN CHARACTER:

Salome Vossen's bodyguards (which can be male and / or female) will have their own pre-game starter card, but no pregame task sheet. There is an additional nametag in this kit and you can make as many copies as you need. For the pre-game tasks, Salome will forward her bodyguards any correspondence she receives according to her pre-game task sheet. In round one, two and three, just have them share the clue card as a group or make extra copies of Salome's clue cards and tell Salome and her bodyguards to play as a team. Her bodyguards should stay with her throughout the game. In the final round, the final clue card instructs each one of them to perform a task - impersonating an animal being attacked by a vampire. Each one of the bodyguards is to do this while the group guesses which animal they are - just as a fun (optional) activity!
