|---|--|---|
|  <p>ONYX BLAZEN <i>Powers of Fire</i></p> | <p>The spicy Onyx Blazen is a very powerful witch with severe anger management problems. This is sometimes a scary combination...especially considering her specialty is the powers of fire! Onyx is a strong leader of the Coven and is very well-respected in the magical community.</p> | <p>Witch costume with flame decorations on the cape. Optional wand with fake flames at the tip.</p> |
|  <p>CRYSTAL WYNTER <i>Powers of Ice</i></p> | <p>Crystal Wynter is the emotionless witch with a specialty of the powers of ice. When Crystal speaks...it is callous and lacks a shred of emotion. And, this witch doesn't get along too fabulously with many people - especially Onyx Blazen.</p> | <p>Light blue cape, light blue crown and wand.</p> |
|  <p>LADY DRACONUS <i>Summoner</i></p> | <p>Lady Draconus is certainly the one to count on to lighten up a Coven gathering. Her magical specialty is that she is a summoner of animals...chiefly dragons! Lady Draconus loves to dance and have a great time and is a dear and loyal friend to all of the witches in the Coven. However, she's known to be a ruthless shopper...so stay out of her way during clearance sales!</p> | <p>Witch costume with a stuffed dragon as an optional prop.</p> |
|  <p>RAVEN BREW <i>Powers of Poison</i></p> | <p>Powers of poison are Raven Brew's forte. She owns the internationally acclaimed store, <i>Alchemy Attic</i>, and peddles her wares to all of the potion makers in the magical world. She's the neighborhood gossip with quite the irritating, whiny high-pitched voice. Raven also loves to read the fortunes of the other witches in the Coven...and whether they are <i>true</i> fortunes or not...only the future will tell.</p> | <p>Witches costume with a cauldron as an optional prop.</p> |
|  <p>PERSEPHONE ZANDER <i>Powers of Disguise & Invisibility</i></p> | <p>If you're looking for an elusive, mysterious and unpredictable witch...you might find Persephone Zander! This magical diva prefers to sing instead of talk! Known to be magically weaker than her fire-casting sister Onyx, Persephone has the magical specialty of disguise and invisibility. It is difficult to tell <i>who</i> and <i>where</i> Persephone really is!</p> | <p>Witch costume with an eye mask as an optional prop.</p> |

|  | <p>LUNA CROW</p> <p><i>Powers of Magnetism</i></p> | <p>Luna Crow, with powers of magnetism, is the friendliest witch in the Coven. She is ultra-loving and a total blast to be around. |  | <p>SERENA WILLOW</p> <p><i>Powers of Wind</i></p> | <p>Serena Willow couldn't tell a lie to save her life! This is one abrasive witch that tells it how it is! You should hope that she doesn't find anything negative about you...or you will be hearing about it along with everyone else! Serena specializes in the powers of wind...so anger her and you might have to run from your own personal tornado!</p> | <p>Colorful hair and witch costume. Broom as an optional prop.</p> |
|  | <p>BELLADONA BALDER</p> <p><i>Powers of Transfiguration</i></p> | <p>Belladona Balder is the flakiest and most emotional witch in the Coven. Some say it's because her specialty is transfiguration which means that she can morph into any type of animal she desires. But along with those powers come bizarre & uncontrollable animal mannerisms! Belladona loves to tell jokes...and they are typically about animals!</p> | <p>Witch costume with random animal headbands to switch out - as optional props.</p> |
