

 POLYCOM CHANNEL CERTIFICATION PROGRAM

March 06, 2009

To Whom It May Concern:

It is my privilege to inform you that Polycom, Inc. has named Telecommunications Export Company a Certified Reseller. Having applied for and met the requirements for certification at the Certified level, they are certified on Voice over IP within the United States until March 26, 2010 .

As a Certified Reseller, Telecommunications Export Company may use Polycom's Certified logo, subject to Polycom's standard terms and conditions for any such use. Electronic copies of these logos and further information are available from the Channel Certification Team.

Please contact Polycom through your Polycom account manager for further information and assistance in meeting the requirements for certification beyond this date, for certification in other categories or for certification outside the United States .
