

Get more for (wire)less

The most intelligent wireless headset ever.

Meet Savi™ Office—the single, wireless headset system that transforms PC audio into quality sound. Savi Office bridges traditional telephony and PC audio by delivering outstanding sound quality and call management, significantly improving and simplifying everyday collaboration.

Now, for a limited time, you can add call answer/end functionality, for FREE!¹

Select your choice of a FREE Savi Electronic Hookswitch (EHS) cable (\$79.95 retail value) or a FREE HL10 Handset Lifter² (\$79.95 retail value) with each Savi Office unit purchased through your Authorized Reseller (minimum of three units per single invoice).¹ Offer ends July 31, 2010.

To find the correct Savi Electronic Hookswitch (EHS) cable for your phone, go to www.plantronics.com/moreforwireless to find your phone. If no EHS cable is available for your phone, you can select the HL10 Handset Lifter.

The program process is simple:

1. Purchase the Savi Office units from your Authorized Reseller (minimum of 3 units/single invoice). To find a Reseller in your area, call 1-866-979-SAVI.
2. Once purchased, fill out the request form at www.plantronics.com/moreforwireless and select your FREE Savi EHS cables and/or FREE HL10 lifters.
3. Provide your proof of purchase via e-mail: moreforwireless@plantronics.com
4. Plantronics will ship your FREE Savi EHS cables and/or FREE HL10 lifters directly to you.

¹ For full terms and conditions, visit www.plantronics.com/moreforwireless

² The HL10 Lifter is offered for desk phones that are not included in EHS compatibility guide.
