Company History

JSI International, Inc., was founded in 1997. The company has grown from a modest 5,500 square-foot warehouse, with only an oak kitchen and vanity line, to two locations with a combined square-footage approaching 200,000; a 125,000 square-foot facility in Fall River, MA and a 62,000 square-foot facility in Bolingbrook, IL. Both locations are situated to allow easy access to major trucking routes for re-distribution.

The company's vision was, and remains, to provide a unique combination of fashion and value to create a higher level of satisfaction for homeowners. This includes a strong commitment to quality, dependability and service, which continue to be an integral part of JSI.
