Press Release

Barren County Kentucky Community Coalition Orders first Face2Face

November 30, 2010, Moss Beach, California.

The Barren-Hart-Metcalf Local KY-ASAP Board and Drug Free Communities Coalition (B-H-M KY-ASAP/DFC), has ordered Face2Face for deployment in the Glasgow, Kentucky area. The Drug Free Communities Coalition and the B-H-M KY-ASAP represent groups of concerned citizens and professionals focused on promoting the reduction of alcohol, tobacco, and other drug use as well as related consequences through comprehensive, research based state and county strategies.

Two Upcoming Conferences in November

Abalone LLC is showing Face2Face in two upcoming conferences in November 2010.

The COPWEST show and conference is in Ontario, California starting Tuesday, November 16 and 17. Abalone will be at Booth .1603.

The CNOA (California Narcotic Officers' Association) conference and show is in Anaheim, California on November 20-21. Come and visit us!

Face2Face system has been developed to fight the Methamphetamine epidemic by showing people at risk how their faces will look like in 6 months, 1 year and 3 years after using meth. By personalizing the drug awareness message, Face2Face is effectively used in education and prevention by showing the shocking visual changes meth causes. To date there are close to 60 law enforcement and educational users, including the DEA, Air Force, US Marines, and many sheriff and police departments.

Face2Face software runs on Windows Vista and W7 computers, comes with unlimited tech support and upgrades. The software is fully automatic - with a single click the head is created. Buttons allow viewing and printing the 6 month, 1 year and 3 year images.

Face2Face (with Fuji camera, software) sells for \$3,795 - Currently on sale for \$2,995.
