

## HOW TO DECORATE YOUR NAILS

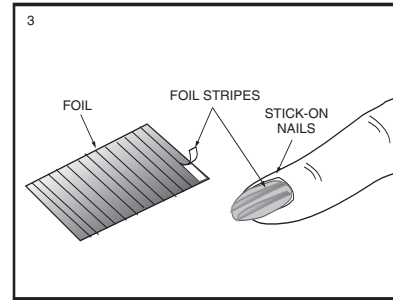

1. Paint designs and colors onto your nails using the paintbrush and colored polishes.

2. Add stickers from the sticker roll onto your nails.

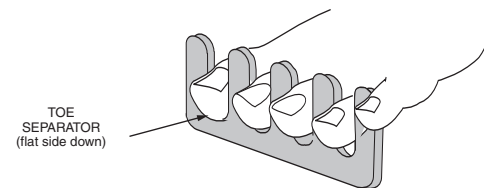

3. Peel strips off the foil sticker sheet and stick onto your nails. Trim strips as need with a scissor (not included), with adult supervision.

## POLISH YOUR TOE NAILS

1. Locate the toe separator.
2. Place the toe separator in between your toes, flat side down.
3. Polish your toenails.

## CARE AND CLEANING

1. The plastic nails should not be worn for more than 12 hours. Remove all nails and adhesives before bedtime.
2. To remove plastic nails, soak fingers in warm water for a few minutes and carefully take off nails. Do not remove when dry.
3. Wash hands thoroughly after removing plastic nails.
4. You can easily peel the polish off your plastic and real nails.
5. Do not use nail polish remover.
6. Glitter and stickers are for decorating the plastic nails only, not your real nails.

## Helpful Hints

1. Always work on paper to protect your surfaces.
2. Before you mix new nail polish colors, be sure to wash everything with mild soap and water.
3. Always wash the plastic scoop after using.
4. Bottles should be 3/4 filled for proper mixing.
5. Consult physician if irritation occurs.
6. Keep polish away from eyes.
7. Battery installation or replacement should be made by an adult only.
8. Use only batteries recommended and be sure to insert them in the Nail Salon correctly.
9. Do not mix old and new batteries.
10. Do not mix alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium) batteries.
11. Do not attempt to burn batteries.
12. Dispose of batteries safely and correctly.
13. Be sure to remove batteries if your Nail Salon will not be used for a long period of time.

Ingredients: Polyvinyl Acetate Copolymer, Water, C12-20 Isoparaffin, Quaternium-15, Thiabendazole. May contain Titanium Dioxide, Ultramarine Blue, Red 7 Lake, Yellow 5.

# Create-A-Color Nail Salon

Conforms to ASTM-D4236

No. 2010-08

**WARNING:**  
CHOKING HAZARD-Small parts.  
Not for children under 3 years.

Dear Customer,

We hope you enjoy your Create-A-Color Nail Salon. If you find that we have made an error or if something is missing or damaged, let us know so that we can correct the problem for you. Please include the following information:

- Name of item
- Date of Purchase
- Purchase Price (please include sales slip)
- Model number
- Place of Purchase
- Brief description of the problem

Do not return the kit to the store where you purchased it, they will not have the replacement parts!

Send all correspondence to: **NSI International, Inc.**

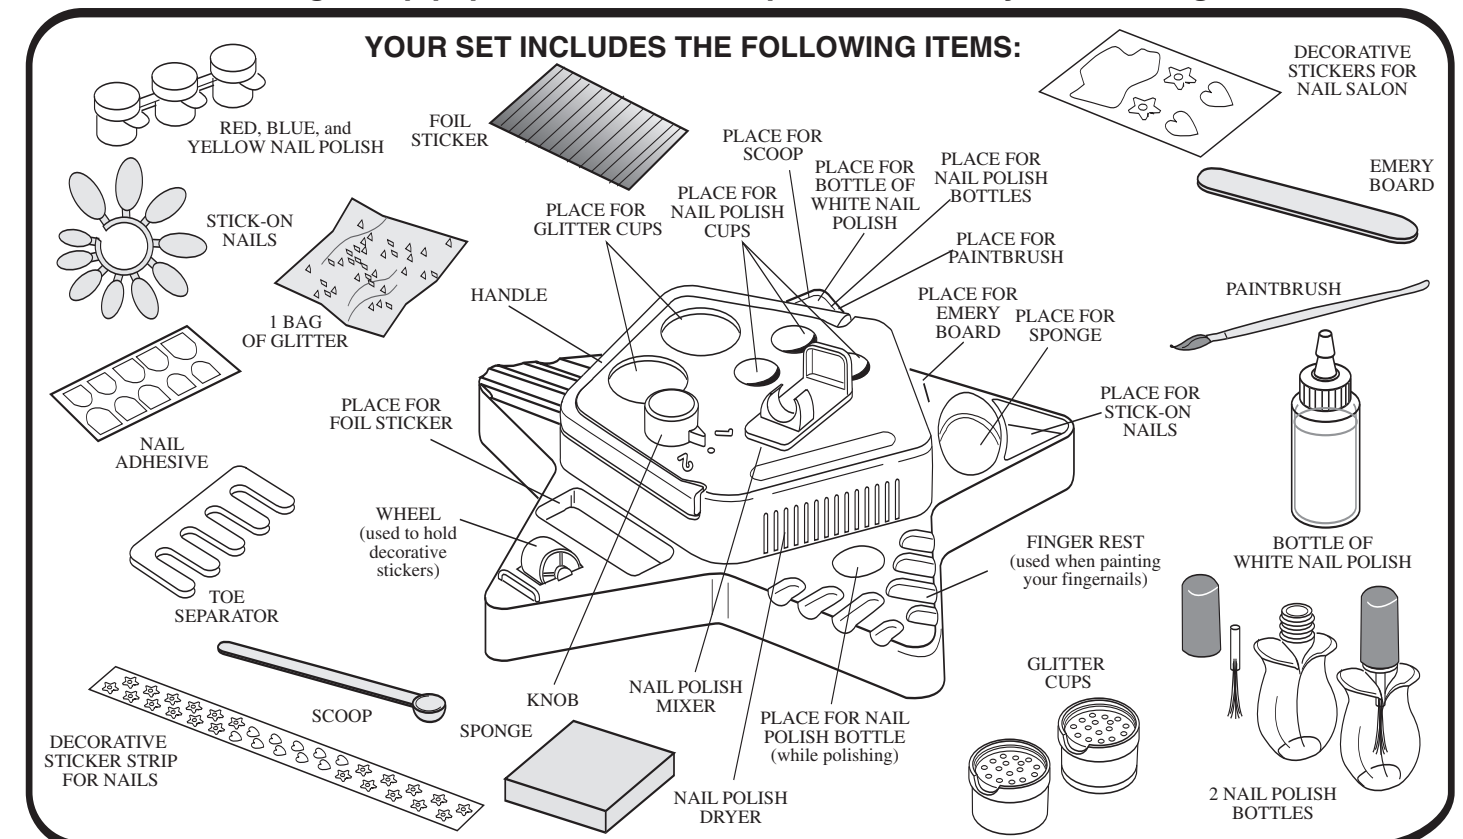

105 Price Parkway  
Farmingdale, NY 11735-1318

Attn: Quality Control Department

You may call us at (631)501-7550

**Read instructions completely before starting your project.**

**Preparation: You should organize your supplies away from carpeting and upholstery on a suitable working area such as a kitchen table with a sink nearby. Always cover your work area with scrap paper to protect it. Nail Polish may stain carpeting or clothing. Wash out immediately if this occurs. Wear a smock when working. Keep paper towels and a cup of water handy for cleaning.**

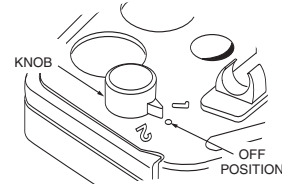

## HOW TO INSTALL BATTERIES IN THE NAIL SALON

1. Turn the Nail Salon upside down
2. Use a Phillips head screwdriver to loosen the screw holding the battery cover in place.
3. Press in the clip on the battery compartment and lift cover off.
4. Insert 2 "AA/LR6" size alkaline batteries in the battery compartment, carefully noting the direction of the (+) and (-) symbols on the batteries.
5. Replace the battery cover and tighten the screw in place.

## HOW THE NAIL SALON OPERATES

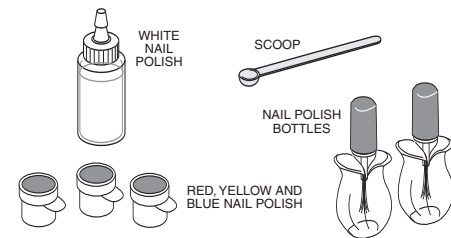

The knob located on top of the Nail Salon controls two functions:

1. Turn the knob to position 1, right, to activate the fan that dries your nails.
2. Turn the knob to position 2, left, to activate the mixer that will mix the nail polish.

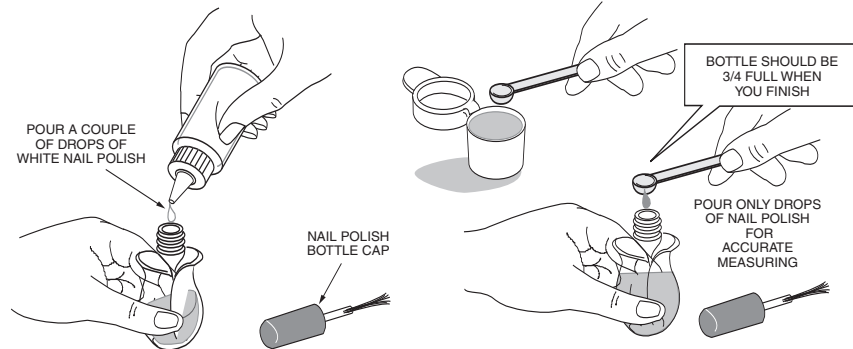

## HOW TO MAKE DIFFERENT COLORED NAIL POLISH

1. Locate the bottle of white nail polish, scoop, the nail polish bottles and brushes and the three cups of colored nail polish.
2. Using a scissors (not included), with adult supervision, cut apart the three cups of colored nail polish. Remove the cap from the bottle of white nail polish and snip off the tip.
3. Assemble the nail polish bottles by pushing the brushes into the caps and screwing the caps onto the bottles.

## HOW TO BLEND COLORS

1. Pour white nail polish into a nail polish bottle until it is 1/2 full.
2. Using the scoop, add a few drops of colored polish from the polish cups into the nail polish bottle. You can use one color or mix colors. Your bottle should be 3/4 full when you are finished.

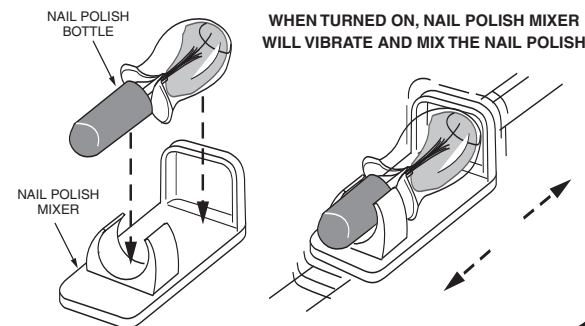

Color Mixing Guide:  
 Red + Yellow = Orange  
 Blue + Red = Purple  
 Blue + Yellow = Green

Note: The more white polish you use, the lighter your color will be.

## HOW TO MIX COLORS

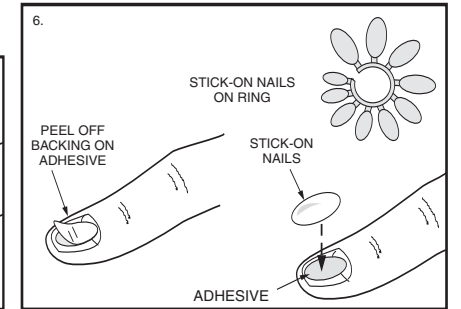

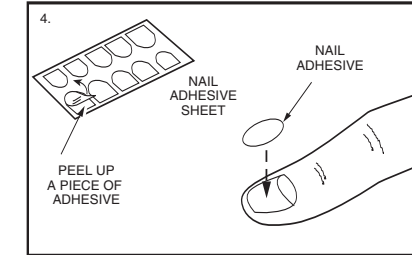

1. Replace the nail polish bottle cap onto the bottle and make sure it is screwed on tightly.
2. Place the bottle onto the nail polish mixer and snap in place until secure.
3. Turn the knob on the Nail Salon to position 2. The nail polish mixer will shake and mix the polish. Leave on for approximately 30 seconds and remove the bottle.

## HOW TO ATTACH STICK-ON NAILS

Before you begin, wash your fingers thoroughly with mild soap and warm water, using the sponge included in this set.

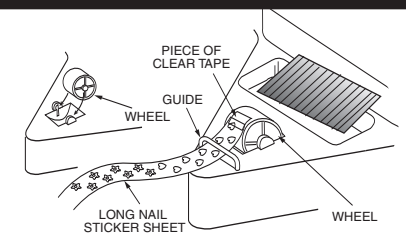

1. Locate the nail adhesive sheet and plastic nails.
2. Pick out plastic nails that fit your fingers.
3. Pick out an adhesive that fits your finger.
4. Peel off one adhesive and attach to your nail, sticky side down.
5. Peel off the backing on the adhesive.
6. Place a nail on top of the adhesive and press until it attaches firmly to your nail.
7. Repeat for all your fingers.
8. Use the emery board to file down edges.

**WARNING: PLASTIC NAILS SHOULD NOT BE WORN FOR MORE THAN 12 HOURS.** Remove all nails and adhesives before bedtime. To remove plastic nails, soak fingers in warm water for a few minutes and carefully take off nails. Do not remove when dry. Wash hands thoroughly after removing plastic nails.

## HOW TO ATTACH THE NAIL SALON STICKER SHEET

1. Snap the wheel in place on the Nail Salon, as shown.
2. Insert one end of the long nail sticker sheet through the guide and attach onto the wheel with a small piece of clear tape (not included).
3. Rotate the wheel clockwise until the sticker sheet is wrapped around it.
4. Make sure the end of the sticker sheets sticks out from the guide.

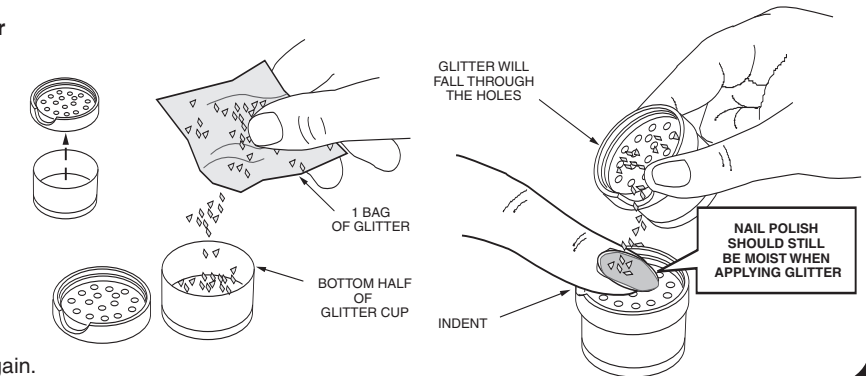

## HOW TO APPLY NAIL POLISH

1. Resting your fingers on the finger rest of the Nail Salon, apply a light, even coat of polish to each nail with the brush.
2. After the first coat of polish has dried, apply a second coat.

## HOW TO APPLY GLITTER TO NAILS

Nail polish should still be moist before applying glitter

1. Locate the bag of glitter and two glitter cups.
2. Remove the lid from one glitter cup and pour glitter into the cup. Close the lid.
3. Place a finger on top of the second glitter cup as shown, with finger resting on the indent.
4. Sprinkle glitter onto moist nails.

Note: Glitter that falls into the empty cup can use used again.

## HOW TO DRY THE NAIL POLISH

1. Locate the area on the Nail Salon that has the vents for the Nail Dryer.
2. Place your fingers on the platform and turn the knob to position 1.
3. Dry your nails.
