Picture #1:

Here is our Grillcraft MX-Series Lower Sport Grille Kit Part# FOR-1305 for Ford Lightning models available in silver or black finishes.

Picture #2:

Our project Lightning in need of a lower GrillCraft Grille.

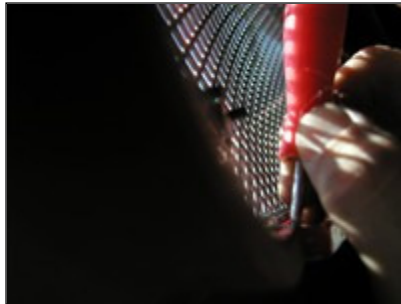

Picture #3:

Remove the plastic clips along the bottom side of the bumper cover.

Picture #4:

Reach from the underside of the bumper and remove factory grille screws.

Picture #5:

Insert the GrillCraft lower grille into bumper opening from the front side. While holding grille in place mark mounting tab center hole location using a sharp scribe.

Picture #6:

Drill hole for the grille screws using a 3/16 drill bit.

Picture #7:

Fasten grille in place using supplied hardware.
