

**TOCO VE™** is a fat-soluble **NATURAL Vitamin E** (d-alpha-tocopherol acetate) dietary supplement. Natural Vitamin E (VE) is much more bioactive versus the synthetic form of dl-alpha tocopherol. Toco VE™ supports the protection of cell membranes from toxic compounds, heavy metals and free radical damage. Vitamin E is important for the development and maintenance of nerve and muscle function. Toco VE™ can help maintain and promote healthy skin.\*

**DIRECTIONS:** As a dietary supplement, take 1 to 2 softgel capsules daily, preferably with meals.

**WARNING:** Please consult your healthcare practitioner before taking any dietary supplement. Keep out of reach of children. Do not use if outer bottle seal is missing, torn or damaged in any way.
