

MONKEY BISCUITS

(STANDARD)

Feeding Instructions: Monkey Biscuits can be fed as part of a complete diet, but should not be considered a whole diet. We suggest Prairie dogs primarily be fed a high fiber pellet diet along with the biscuits.

Ingredients:

Ground Corn, Ground Wheat, Dehulled Soybean Meal, Wheat Middings, Animal Fat preserved with BHA, Dry Whey, Corn Gluten Meal, Dehydrated Alfalfa Meal, Dried Beet Pulp, Sucrose, Fish Meal, Calcium Carbonate, Brewers Dried Yeast, Salt, Dicalcium Phosphate, Cyanocobalamin, Riboflavin, DL-Methionine, Choline Chloride, Calcium Pantothenate, Nicotinic Acid, Folic Acid, Pyridoxine Hydrochloride, Thiamin, Mononitrate, Ascorbic Acid, Vitamin A Acetate, Cholecalciferol, L-Lysine, Manadione, Dimethylpyrimidinol Bisulfite (source of vitamin K), DL-Alpha Iodate, Manganous Oxide, Copper Sulfate, Colbalt Carbonate, Zinc Sulfate, Zinc Oxide.

Guaranteed Analysis: Crude Protein 15% Crude Fat 5% Crude Fiber 6%
