

ACCURATE LOW TO MID-VOLUME DOCUMENT PUNCHING ON DEMAND

JBI's **DocuPunch® Automatic Document Punch** is as easy to use as an office photocopier. This versatile, ergonomically designed time-saver offers hands-free automatic punching of pre-collated books, presentations, reports... even tabbed sheets... in a free-standing unit that makes quick, light work of your diverse document punching needs.

AUTOMATIC DOCUMENT PUNCHING

DOCUPUNCH®

Simply load the tray, push a button and walk away. The DocuPunch® accurately punches a wide range of materials and sizes, operated by a simple touch key control panel featuring positive sheet pickup and 3-sided punching registration – for perfect holes every time – kept in perfect pre-collated order.

A COMPACT MACHINE THAT DELIVERS A BIG PUNCH

With speeds of up to 30,000 sheets per hour, a wide assortment of die patterns available, and super fast changeover times, the **DOCUPUNCH®** from James Burn is the perfect companion to mid-volume **Wire-O®** and **UniCoil®** document finishing solutions in central reproduction departments and digital/on-demand printers where efficiency and productivity are a must. For even higher output requirements, ask about our **ALPHA-DOC®** Automatic Punch.

DOCUPUNCH[®]

AUTOMATIC DOCUMENT PUNCHING
