

Fun-Flap Folding Directions

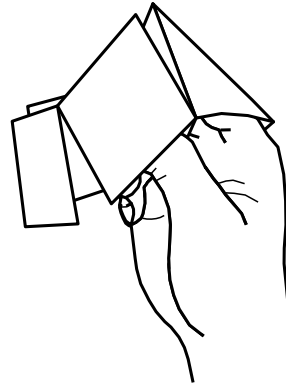

1. Trim off the top part of the fun-flap page along the solid line.
2. Place the fun-flap on a flat surface with the blank side facing up.
3. Fold back the four corners along the dotted lines so that they touch in the center of the square.

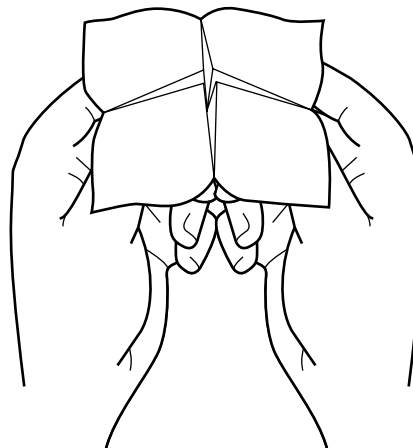

4. Turn over the fun-flap. Fold back the corners again so that they touch in the center of the square.

5. . Fold the fun-flap in half.
6. Put your right thumb and index finger in the right side.

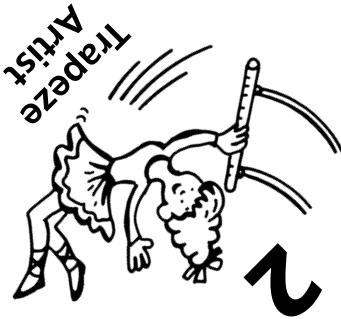

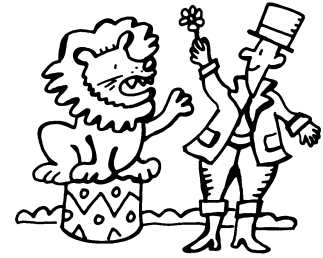

7. Put your left thumb and index finger in the left side.
8. Open and close the fun-flap by moving your fingers.
