

THE NIBBLE™

Great Food Finds™ December 2007

Each year we look for unique gourmet food gift ideas. This years selection of specialty food gifts We have separate lists for Chocolate, Kids, Kosher, Liquor, Organic and other categories-check the main [Gift Ideas](#) page. For general food gifts, be sure to look at our [Kosher gift list](#)—delicious specialty food gifts that just happen to be kosher-certified.

Paromi Teas: Tea Sachets

These fine artisan teas are blended in small batches; the fruit flavors in particular (Coconut Almond, Lemon Mint, Pineapple Papaya) are far superior in taste and aroma to similarly flavored teas. The delicate, pyramid tea bags are packaged in protective amber glass jars that filter out harmful UV light and oxygen, helping to preserve product freshness.

- *Jar Of 15 Sachets*
\$12.50
