**WEAVER'S COFFEE & TEA INTRODUCES LEGACY BLEND™
COMMEMORATING JOHN WEAVER'S 30 YEARS OF
HAND-CRAFTING COFFEE**

Roasted Using Vintage Coffee Roasters as a Tribute to Legendary Mentors

EMERYVILLE, CA – JUNE 23, 2009 –Wild Card Roasters, an artisan coffee roaster, is commemorating John Weaver's 30th anniversary in the coffee industry by introducing Legacy Blend™ under their Weaver's Coffee & Tea brand.

Thirty years ago today, a young apprentice chose a path that would lead him to discover his life's work. John Weaver, Master Roaster and President of Coffee & Tea, Wild Card Roasters, has dedicated the last three decades to refining his artisan skills. Combining the wealth of knowledge entrusted to him by his legendary mentors, and his own unique style, John hand-roasts and crafts this rich, full-bodied blend on his vintage coffee roasters. "Years ago I purchased Mr. Peet's original Royal No.5 coffee roaster", said John Weaver. "He was one of my mentors, and I've gained a unique insight as to how he roasted coffee when he first moved to America. The drum of the Royal No.5 roaster is small and perforated, limiting capacity and allowing the flames to directly touch the beans. By roasting fifteen pounds at a time, and using a combination of the Royal and my vintage Probat roaster, I am able to marry the best of both worlds to hand-craft something most coffee drinkers have never experienced".

“Legacy Blend is the glimpse into John’s amazing thirty-year journey,” said Michael Brown, CEO of Wild Card Roasters. “Appropriately named, it stands as a proud tribute to his teachers, Alfred Peet and Sal Bonavita, as well as John’s own continued, artisan legacy.”

Weaver’s line of artisan coffee features 100% Certified Organic, Fair Trade Certified coffees and conventional coffees.
