## Travel smart:: Add Freshhanger to suitcase to freshen travel clothes

Stick a Freshhanger into your suitcase, and use it to freshen up your clothes while traveling.

The carbon-based hanger slips over a regular hotel-room hanger. Hang a blouse, shirt, skirt or jacket on it, and sweat, chemical and smoky smells virtually disappear in four hours.

Freshhangers sell in packs of five for \$14.99 ([www.freshhanger.com](http://www.freshhanger.com), 866-530-6580).
