Clearly glass is the tie that binds this subtly retro design together. The tempered, smoked glass top leads the eye down the graceful waterfall edge to the matching glass cabinet doors, while nickel accents provide the finishing touches. The dark, java finish brings out the depth of the quarter-sawn veneers with contemporary linear grain patterns which surround the all new, dazzling Multi-Fire XD™ Electric Firebox including Realogs™, Comfort\$aver™ heating system and gWave™ gesture recognition technology.
