For children (from ages six months to as many as 15 years), proper seating with support for balance and good posture is as important to their health as eating veggies. For parents, it's about less fidgeting. In solid wood, with clean lines that are easy to clean, each of these adjustable high chairs offers a sold-separately seat for their seats and an aesthetic we can get "behind."

### Turning the Tables

**CHILDREN'S TABLE AND CHAIRS**

MONDAY, JAN 12, 2009

You say Play Table, we say Play Tah-ble. Play Table, Play Tah-ble, Tomato, Tomahto ... Let's call the whole thing furniture.

### Best Suited

**INFANT BUNTING SUITS**

Oh the weather outside is frightful, but our kids are nice and warm.

### Marvelous Mary Janes

MONDAY, JAN 05, 2009

Whatever happened to Mary Jane? (And why do such cute shoes bear her name?)

### Wall-Ease

**DECORATIVE WALL DECALS**

MONDAY, DEC 22, 2008

Let's leave decorating to the professionals -- well, at least leave it to Mom.
