

CONGRATULATIONS You have just made a smart consumer decision to protect yourself from the future cost of repairing your new product by purchasing an **Xchange Product Replacement Plan** (the "Plan").

PRODUCT ELIGIBILITY: This Plan covers products purchased as new and manufactured for use in the United States, which at the time of purchase included the manufacturer's original written warranty valid in the United States. In order to be eligible for a Plan, the manufacturer's warranty must provide at least 90 days parts and labor coverage. This Plan covers all mechanical and electrical defects that would normally be covered by the original manufacturer's written warranty, unless otherwise stated in the Exclusions section. Coverage only applies to products used non-commercially.

In the event your product suffers a mechanical or electrical defect in the year following the expiration of the shortest portion of the manufacturer's parts and labor warranty, this Plan will replace your original product or provide reimbursement for a product of like kind and quality. The Plan is limited to one replacement during the lifetime of the Plan and is only available for products that were purchased for \$500.00 or less. Technological advances may result in a replacement product with a lower selling price than the original product. The most we will pay on any single replacement is the price you paid for the product. If we replace the product in its entirety, our maximum liability has been met under this contract and there will no longer be coverage under the terms of this contract. Replacement products will include a manufacturer's warranty and the retailer has the option to offer an additional extended service contract of the replaced product. If a replacement product is not available, we will refund to you the product purchase price and this contract will be invalid and all obligations satisfied.

For instructions on how to obtain a replacement product, please call 1-800-733-7136. **You may be required to ship or deliver the defective product prior to receiving reimbursement or a replacement product.**
