- Polyolefin fabric is washable and unaffected by most common household chemicals, salts, and cleansers. Fabric is also treated to resist the growth of stain- and odor-causing microbes, and is available in three colors.
- Cork-Plate consists of ¼" layer of natural cork bonded to ¼" layer of moisture-resistant substrate for maximum tack-holding power and durability.
- Featured with standard ⅝" clear anodized aluminum trim with hairline mitered corners. Anodized black aluminum trim available at an upcharge.
- Manufactured in the US of foreign and domestic materials. Ten year limited warranty.
