International E-Z UP, Inc. 1900 Second Street, Norco, CA 92860 USA (951) 279-0999

IMPORTANT!

This side of the fabric faces inward.
Do not expose to direct sunlight.

Certification of Fabric Flame Resistance

International E-Z UP, Inc. warrants that this fabric item has been certified by the manufacturer or its supplier as having been made of flame resistant material. The fabric has been independently tested and shown to meet or exceed the minimum requirements of the fire resistance standards:

- **CPAI-84** Specification for fabric components.
- **California State Fire Marshal, Title 19, Sub chapter 1, Article 4 section 332 (a) (2)** which states that fabrics complying with the CPAI-84 specification are approved by the State Fire Marshal.
- **NFPA-701** Standard Methods of Fire Tests for Flame Propagation of Textiles and Films.
- **CAN/ULC-S109** National Standard of Canada, Flame Tests of Flame-Resistant Fabrics and Films
- **DIN 4102-1 Class B1** of the German Fire Test Specification
- **EN 13501-1 Classification B-s1, d0** European Fire Test
