

SOMERSET

The Somerset is the newest designed theater seat from HTdesign. HTdesign features First Class Theater Seating at coach prices. HTdesign exudes quality with many more features than other seating manufacturers. HTdesign is tailored in high quality grade 7000 top grain leather match in either black or brown leather. The Somerset theater seating features a manual adjustable articulating headrest that allows you to get the most comfortable head position. The seat measures at a comfortable 23.75 inches wide and it has back height of 43.25 inches for head to toe support. This style has a chaise footrest when reclined. The Somerset has in arm storage and standard wood grain swivel tray tables. The swivel tray table fits in the in arm storage and is place in grommet on top of arm. You can also use the in arm storage for remote controls or other accessories. The Somerset is available in power recline featuring the most adjustable recline position. The Somerset seats feature LED cupholders and LED lighted base rails. The controls for power and LED are on top of the cupholder.
