

SOUTHAMPTON

The Southampton is the newest designed theater seat from HTdesign. HTdesign features “First Class” theater seating at coach prices. HTdesign exudes quality with many more features than other seating manufacturers. HTdesign is tailored in high-quality 7000 grade top-grain leather match in either black or brown leather. You can choose between straight and curved rows. The Southampton theater seating features a USB port to charge tablets and phones in the arm storage compartment. The seat measures at a comfortable 25 inches wide and it has back height of 44 inches for head-to-toe support. This style has a chaise footrest when reclined. The Southampton has in-arm storage and standard wood grain swivel tray tables. The swivel tray table fits in the in arm storage and is place in grommet on top of arm. You can also use the in-arm storage for remote controls or other accessories. The Southampton is available in power recline featuring a highly adjustable recline position. The Southampton seats feature LED cupholders and LED lighted base rails. The controls for power and LED are on top of the cupholder.
