HT DESIGN ACCESSORIES

First Class Theater Seating...*FAST*!

Enhance your HTDesign seating experience with a variety of premium accessories. Each accessory has 100% compatibility with your HTDesign home theater seating, while the portable armrests and pillows are available in every leather and color offered, so they will perfectly match your HTDesign seats.

Portable Armrest

Turn your HTDesign loveseat or sofa into row of two or three simply by placing this portable armest in-between your armless seats.
Available in black bonded or top-grain leather and brown top-grain leather to perfectly match your HTDesign seating.

Wine Glass Holder

This neat little wine glass holder has a rubber grip on the glass allowing you to drink wine in the comfort of your home theater. It features a stainless steel holder and its grip can fit any size wine glass. The holder fits snugly tinto the grommet on each arm of the chair.

Portable Tablet Holder

This handy tablet holder fits all HTDesign styles and has an adjustable interface, allowing it to fit various sized tablets including Apple's Ipad and Ipad mini.

Universal Pillow

The HT Design universal pillow has a stylish appearance and is great for positioning your head at the perfect angle for watching movies. The pillow can also be used in various positions including behind your lower back for extra lumbar support. This pillow is available in all of our offered materials and colors to match your HTDesign seats perfectly.

I Table

The I Table is a 360 degree rotating and tilting table that can be used for tablets, phones and other reading materials. It has an adjustable tilt function and a bottom magnetic support bar to put your device on the table hands-free. It's a great way to multitask while enjoying your HTDesign theater seats and adds an element of versatility to your viewing experience.
