

## WellMate Limited Warranty RESIDENTIAL APPLICATIONS

### WHAT DOES THIS LIMITED WARRANTY COVER?

WellMate Residential Water System Tanks are warranted to the original owner to be free of defects in material and manufacture and will not fail within five years from date of original installation. (WellMate Residential Water System Tanks used in other than residential installations are warranted for only two (2) years from date of original installation) If failure occurs during these periods, WellMate will furnish to the original owner, a replacement WellMate of equivalent size. The replacement will be warranted for only the unexpired portion of the original warranty. Proof-of-Purchase and Proof-of-Installation must be provided to validate this warranty.

### CONDITIONS AND EXCEPTIONS

This warranty shall apply only when WellMate is installed and operated in accordance with 1) all local plumbing codes 2) printed instructions provided with it 3) proper safety practices in handling.

This warranty will apply only when the tank is:

- owned by the original owner;
- used with potable water containing no sediment or chemicals;
- in its original installation location;
- sized to pump manufacturers recommendations;
- operated within limits stated on label;

Any injury to the tank or any part thereof (including vacuum exposure, freezing, fire, floods, lightning), any misuse, abuse or alteration of it, any operation of it in a modified form, or any attempt to repair tank leaks or parts, will void this warranty.

### SERVICE AND LABOR RESPONSIBILITY

UNDER THIS LIMITED WARRANTY, THE WARRANTOR WILL PROVIDE A REPLACEMENT UNIT OR PARTS THEREOF. THE OWNER IS RESPONSIBLE FOR ALL OTHER COSTS. Such costs may include but are not limited to:

- Labor charges for service, removal, or reinstallation of tank or any part thereof;
- Shipping and Delivery charges;
