MUSTANG ICE COMMANDER

A. Mustang's AirSoft foam allows users to stay immersed for long periods while maintaining mental and physical capabilities. 45% lighter than other rescue suits, this suit features a water tight hood, integrated gloves with textured palms and adjustable wrists, attached non-slip boots, integrated harness, ice awl pockets, reinforced knees padded with 2.5mm neoprene, SOLAS tape, and Velcro light attachment. Easily removable liner. Universal adult, 110-330 lbs., 59-79".

Ice Commander SIC9001 \$745.00
Replacement Liner SMA2282 \$279.00

Ice Commander Pro SIC9002 \$895.00
Pro Replacement Liner SMA2283 \$279.00

FIRSTWATCH ICE RESCUE SUIT

B. The rugged hi-tenacity nylon shell is stitched and taped for the ultimate in durability. Features include a snap out, internal laminated nylon/foam liner, 400 Denier hi-vis yellow nylon shell, harness system with stainless hardware, hood, ice pick pockets, wear patches, internal suspenders for height adjustment, SOLAS reflective tape accents, and lined carry bag. Universal adult, 110-330 lbs., 59-79".

Ice Rescue Suit S1RS1000 \$595.00

STEARNS DRIFLEX RESCUE SUIT

A. Waterproof protection that stands up to freezing water. The new Burp Grip handle makes it easier to release the air in the suit and the Invisi-valve allows for continuous purging of air. Features a large cut, SOLAS reflective tape, sonic welded PU coated nylon shell, and replaceable thermal liner. Nylon surface provides ease of donning.

Size: Universal adult, 110-330 lbs., 59-79"

Driflex Rescue Suit SI596 \$675.00

IMPERIAL ICE RESCUE SUIT

B. Features a breathable shell with drysuit mobility, look and feel. Includes Cordura reinforced wear areas, replaceable inner foam liner, internal suspenders, 3-ply chemical resistant insulated gloves, purge valve, attached booties, AWL pockets, pull harness, wrist, thigh and ankle adjustments, and SOLAS reflectives on arms, head and torso.

Size: Universal adult, 110-330 lbs., 59-79"

Ice Rescue Suit SIICE \$585.00

MUSTANG OCEAN COMMANDER

C. Provides an estimated survival time of 14 hours in 40° water. Features include a face seal, detachable mitts, neoprene wrist seals, non-slip integral boots, inflatable head pillow, holster, whistle, buddy line, and compact storage bag. USCG/MED/SOLAS approvals.

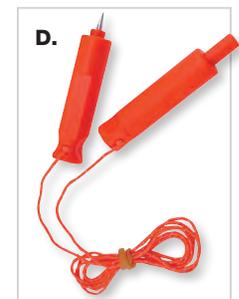

Size: Universal adult, 110-330 lbs., 59-79"

Ocean Commander SOC8000 \$685.00
Replacement Liner SMA2280 \$279.00

ANGEL GUARD PICK-OF-LIFE ICE AWLS

D. These ice awls provide solid hand holds to enable a victim to climb out of a hole in the ice. Picks have retractable covers for protection. Includes 6' of reflective line and ice safety guide.

SICEAWL \$19.95

MUSTANG SENTINEL BOAT CREW DRY SUITS

A. Ideal for regular duty, the lightweight suit is made from 1050 Denier ballistic nylon with reinforcement in knees, elbows and seat. The heavy duty suit is ideal for higher hazard and abusive environments, and features an inner Gore-Tex layer and heavy duty Cordura outer layer, reinforced with 1050 Denier ballistic nylon. The outer layer is removable.

Sizes: XS-3XL, Regular, Short or Long
Lightweight SMSD634 **\$1,195.00**
Heavy Duty SMSD644L **\$1,295.00**

MUSTANG WATER RESCUE DRY SUIT

B. Designed for flood, swift water, and ice rescue, this suit features integrated dry socks, relief opening, neck seal, trim-to-fit wrist seal, reinforced wrist and ankle overcuffs with Velcro closures, two point attachment, removable suspender system with adjustable waist band, SOLAS reflectives, and reinforced knee pads, elbow pads, and seat. Sizes M-XXL.

Water Rescue Dry Suit SMSD576 **\$1,095.00**

MUSTANG SENTINEL TACTICAL OPS DRY SUIT

C. This waterproof, breathable dry suit is ideal for military and law enforcement operations which require immersed hypothermia protection. Designed with feedback from Naval Special Warfare, US federal tactical units, and state and local police SWAT teams. This durable, well-fitting suit has features found on industry leading combat and tactical uniforms. Sizes: XS-3XL in regular, short and long.

Tac Ops Dry Suit SMSD674TO **\$1,495.00**
Replacement Liner SMLS600 **\$185.00**

MUSTANG SURVIVAL HOOD

D. Closed cell neoprene provides exceptional head and neck insulation. Includes tether, adjustable mouth guard, and velcro attachment point. Mustang suit compatible.

Survival Hood SMA7348 **\$59.95**

MUSTANG SENTINEL WATER RESCUE DRY SUIT

A. This waterproof and breathable constant-wear dry suit is designed for flood, swift water and ice rescue situations. By reducing bulk and increasing range of motion, it meets the most demanding water rescue environments. Tested and validated by water rescue professionals, Coast Guards, and other military rescue ops. Sizes: XS-3XL in regular, short and long. Add \$130.00 for 3XL.

Water Rescue Dry Suit SMSD624 **\$1,395.00**
Replacement Liner SMLS600 **\$185.00**

MUSTANG SURFACE RESCUE DRY SUIT

B. A flexible, lightweight dry suit developed for surface rescue swimmers. A heavy-duty butyl, nylon tri-laminate suit, the MSD560 has padded reinforcement on seat, knees, arms, and shoulders, exhaust valve in the forearm, adjustable internal suspenders.

Surface Rescue Dry Suit SMSD560 **\$1,550.00**

KOKATAT FRONT ENTRY DRY SUIT

C. Features include 3-layer Gore-Tex and Gore-Tex socks, latex gaskets with protective neoprene collar and cuffs, waterproof Optiseal zippers, Cordura seat and knee patches, self-draining chest pocket with closure, key lanyard, and relief zipper. Sizes S-XXL.

Front Entry Drysuit MKKGFER **\$899.00**

ZIP TECH ZIPPER LUBRICANT

D. Formulated to protect and lubricate all types of water- and airtight zippers: dry suits, survival suits, environmental suits, dry bags and more. Zip Tech inhibits rust and resist corrosion. Helps protect against exposure to harmful chlorine, salt and pollutants and will not flake or jam in extreme temperatures. Contains no silicone or paraffin.

Zipper Lubricant SMA2292 **\$19.95**

B. Water Rescue Reflective Decal
SWRRD **\$2.50**

NRS WORKBOOT WETSHOE

C. These hard-working wet shoes are used by river professionals, rescue agencies and Navy SEALS for their warmth, ankle support and secure fit. Features lace-up synthetic leather, 5mm neoprene upper, 7mm neoprene insole, and heavy-duty lug sole to keep you on your feet. Wear areas are reinforced with synthetic leather and rubber. Whole sizes only.

Workboot Wetshoe SNRS2338 **\$79.95**

NRS REACTOR RESCUE GLOVES

D. These warm, tough gloves feature 3.5mm neoprene with a titanium laminate. Rubberized synthetic leather on palms and fingers, glued and blind-stitched seams, GripCote on the backs of the fingers to prevent wind chill, and adjustable wristband.

Reactor Gloves SNRS24391 **\$54.95**

NRS SWIFTWATER RESCUE FINs

E. These rigid fins fit over your river boots and are symmetrical so they fit either foot. The wide heel strap is adjustable with a quick tug—then you can unclip the strap and your adjustment stays put. Features a removable rigid toe insert to adjust the stiffness. 20" L x 9" W, 3.4 lbs.

Swiftwater Fins SNRS45202 **\$59.95**

NRS PUREST MESH DUFFEL BAG

F. A tough, heavy-duty duffel made from sturdy 600-denier urethane coated polyester, with high-strength mesh to reduce mildew. Zip side pocket, and detachable shoulder strap.

Mesh Duffel SNRS55003

MUSTANG SWIFT WATER RESCUE

A. Developed with feedback from the water rescue community and designed to meet the Personal Protective Equipment (PPE) needs of rescue professionals. Features an easy to adjust donning system and layered flotation foam with a comfortable and secure fit. SMRV150 **\$189.95**

MUSTANG SWIFT WATER INSTRUCTOR'S

B. A high visibility and close fitting vest made of rugged rip stop nylon with large, removable front and back pockets, integrated structural harness, and single piece over-the-shoulder foam design. Fast Tabs on both shoulders. IRIA Certified, meets PPE needs. Crimson Red, sizes M and XL. SMRV200-SR **\$269.00**

STOHLQUIST FORCE 6 RESCUER

C. Rugged, high-visibility rip-stop nylon with extra flotation to combat the reduced buoyancy effects of turbulent water. Features an integrated structural harness and single piece over-the-shoulder foam design, Fast Tabs on both shoulders. IRIA Certified. Crimson Red, sizes M/L, XL. SMRV100-SR **\$245.00**

MUSTANG NEAR SHORE WATER RESCUE

D. A compact, light weight solution. Features a short-waist cut, reflective tape on front and back, Fast tab and D-ring for radio and light attachment, and two front storage pockets with zipper closures. Orange/Black, sizes XS/S, M/L, and XL/XXL. SMRV050 **\$59.95**

MUSTANG CLASSIC INDUSTRIAL FLOTATION

E. Large arm holes for mobility and SOLAS reflective tape on the shoulders for visibility. Tug-Tite adjustments offer an almost custom fit. A good option for the commercial fishing, transportation, industrial marine, search and rescue, special operations and security sectors. Sizes S-3XL. SMV3106 **\$69.95**

MUSTANG SOLAS 4-POCKET

F. This vest offers large arm holes for mobility and Tug-Tite adjustments for an almost custom fit. Four large Velcro™-secured front pockets, two D-rings, SOLAS reflective tape on the shoulders. A great option for commercial, transportation, industrial, search and rescue, special operations and security uses. Sizes S-3XL. SMV3128T2 **\$69.95**

MUSTANG HIT HYDROSTATIC INFLATABLE

A. This flexible PFD has a pressure-activated hydrostatic inflator that opens the vest quickly. Features zip pocket, neoprene collar, manual inflation ripcord, strobe light holder, SOLAS tape, whistle, and backup oral inflation tube. 35 lbs. buoyancy. USCG Type II. ANSI Yellow.

HIT Inflatable PFD SMD3183T3 \$269.95
Re-Arm Kit SMA7214 \$59.95

MUSTANG HIT INFLATABLE WORK VEST

B. With a low-profile fit, this work vest offers mobility and reduced heat stress. Features 35lb buoyancy rating, PU-coated nylon shell, inflator cover, recessed zippers, reflective SOLAS tape on front and back, strobe light holder, whistle and additional SOLAS reflective tape visible when inflated. Includes back-up oral inflation tube and manual activation cord.

HIT Work Vest SMD3188 \$234.95
Re-Arm Kit SMA7214 \$59.95

MUSTANG ANSI INDUSTRIAL MESH VEST

C.

C. Maximum visibility, mobility and comfort—recommended for Industrial Marine, Law Enforcement, Public Safety USCG Type II Compliant. Features mesh

shoulders, large front pockets with Velcro closure, side adjustments, and a high waist to reduce interference with tools and duty belts. Sizes S/M-2XL/3XL. SMV1254T3 **\$74.95**

MUSTANG HIGH COLLAR SAR VEST

D. Strength-tested to 100mph, with a high neoprene-lined collar for impact protection, large 3-belt adjustment system, large cutaway armholes, large front cargo pockets, and multi-purpose fast tab radio clip. Orange, sizes S-3XL. SMV5600 **\$125.00** (3XL add \$10.00)

MUSTANG SOLAS MESH VEST

A. This mesh vest offers maximum visibility, mobility, cooling and comfort with features such as large arm holes, mesh shoulders, and 32 square inches of SOLAS reflective tape across the front and back of the vest. Strength tested to 50MPH. Sizes S/M-2XL/3XL (2XL/3XL add \$4.00). SMV1254T1 **\$39.95**

MUSTANG WORK VEST WITH SOLAS

B. This vinyl dipped work vest is designed to be safe, functional and comfortable. Features SOLAS reflective tape on the front and back for enhanced visibility. Side and shoulder adjustments create a customized fit in a functional universal size. USCG approved. SMV3092 **\$49.95**

FIRST WATCH 4-POCKET VEST

C. Rugged, high-visibility rip-stop nylon with extra flotation to combat the reduced buoyancy effects of turbulent water. Features an integrated structural harness and single piece over-the-shoulder foam design, Fast Tabs on both shoulders. IRIA Certified. Crimson Red, sizes M/L, XL. S1AV700 **\$69.95**

FIRST WATCH COLLARED VEST

D. Super soft flotation foam and a thick fleece-lined collar keep out the cold and wind. Features reinforced nylon zips, 3 adjustable straps, two oversize gusseted pockets on the chest for essential gear, and 3M SOLAS reflective tape on shoulders. Orange/Grey, USCG Type III. Universal Adult Fit. S1AV600 **\$59.95**

FIRST WATCH MESH CREW VEST

E. Generous arm openings combined with a breathable nylon mesh top allow freedom of motion. Features Super Soft flotation foam, rip-stop 200 denier nylon, and a soft neoprene collar pad. Orange/Black, USCG Type III. Sizes S-XXL. S1AV500 **\$69.95**

FIRST WATCH WAVEBARRIER AUTO-INFLATABLE PFD

F. This low-profile inflatable features a neoprene collar for comfort and durability. The 35lb. buoyant cell folds easily into the durable 500 denier cover. The unique design offers higher freeboard and improved flotation angles—self righting the wearer in under 5 seconds. Red/Grey, USCG Type II. Universal Adult. S1AI150 **\$169.95**

E.

MUSTANG RESCUE STICK

E. When the baton shaped stick is thrown in the water near the victim, it inflates into a large horseshoe. Re-arms easily with replacement handle containing CO2 capsule. 35 lbs. buoyancy, 14" long, weighs less than 1 lb. Includes drybag storage pouch.

Rescue Stick SMRD100 \$139.95
Re-Arm Kit SMA7206 \$39.95

Training Stick The Training Stick has the same texture and weight as the Rescue Stick, designed for practice throwing at targets. SMRD050 **\$65.00**

SWITLIK TECHFLOAT LIFE RING

A. Packed in one small, lightweight pouch, TechFloat is both a rugged heaving line and an automatic (self-inflating) inflatable buoyant horseshoe ring providing 25 lbs. of buoyancy after inflation. (HAZ-MAT Shipping, see below). SSTTF **\$159.00**

NRS NFPA ROPE RESCUE THROW BAG

B. Made of highly visible and durable Cordura, the bag quickly secures to a D-ring with quick-release 1" straps. Internal flotation and floating rescue rope, polyethylene-sheathed grab loop, 2" mesh panel for drainage, reflective ticking on the black webbing along the sides for increased visibility. SNRS45102 **\$119.95**

KENT RESCUE MATE ROPE THROW BAG

C. Includes 75' of woven polypropylene floating rescue line in an easily repacked, emergency HI-VIZ yellow nylon bag. Includes high-visibility yellow nylon storage bag with drawstring closure and reflective tape. SSSL1 **\$44.95**

NRS PILOT KNIFE

D. The blunt tip design features both smooth and serrated sections, a rope cutting hook, and a unique sheath that firmly locks the knife in place and only lets it go when you squeeze both sides of the release. SNRS47300 **\$44.95**

GILL MARINE RESCUE KNIFE

E. Made from marine grade 420 stainless steel with a titanium coating, this fixed blade knife has a blunt tip, smooth and serrated blades, cord hook, rubber inset handle, and locking plastic sheath. SMT001 **\$39.95**

SPYDERCO ATLANTIC SALT KNIFE

F. Tough, durable, and precise. The serrated 3.7" sheepsfoot blade is hollow ground, high-carbon stainless steel. Features tip-up titanium clip, and yellow fiberglass-reinforced nylon handle with lanyard hole. SSK07 **\$74.95**

SPYDERCO ASSIST 1 KNIFE

G. Features a reversible ambi-clip and is easily opened with one hand. The serration provides exceptional cutting power not found in plain edge knives. 3.375" sheepsfoot-shaped blade. SSK01 **\$89.95**

STERLING WATER RESCUE ROPES

A-D. The highest quality, most technically advanced rope for rescue and life safety applications. Certified to NFPA for throw lines.

A. 3/8" Waterline Nylon core for strength and minimum moisture absorption. Easy to stuff. Yellow or Red. HNFPA-WATER **From \$0.50/ft**

B. 3/8" Grabline Tread-like sheath and nylon DryCore. HNFPA-GRAB **From \$0.54/ft**

C. 3/8" Ultralite High-strength braided Dyneema core, polypro sheath, and MBS of 5,261 lbs. HNFPA-ULTRA **\$2.35/ft.**

D. NRS Water Rescue Rope Bag Durable urethane-coated nylon, holds 150' of .5" rope. Webbing loop opening, bottom handle, and draw cord closure. 24" long, 7" diameter. SNRB1 **\$34.95**

NRS 1" COLORED WEBBING

E. Custom make your own straps. 1,150 lb. tensile strength polypropylene webbing. NRS1845 **\$0.50/ft** or **\$150.00/spool**

FOIN CINCH ICE CARABINER

F. Polished aluminum construction with a 5,000 lb. breaking strength. 8.6 oz., 9.37" long, gate opening 2.36". SW4368 **\$120.00**

KONG CARABINERS

G-I. Made in Italy and designed for the most demanding ice and water rescue situations.

G. Ovalone 412.L1 SKNG412.L1 **\$20.95**

H. Ergo 783.G1 SKNG783.G1 **\$16.95**

I. Ice Rescue 650.20 SKNG650.20 **\$69.95**

NRS OMEGA 1/2" MODIFIED D QUIK-LOK NFPA

J. For light use demand, provides at least 6,000 lbf. Aluminum, gate opening 20mm, weighs 111g. SNRS1497 **\$24.70**

A.

RAPID DEPLOYMENT MP CARRIER

A. This multi purpose rescue carrier is a must have for ice and water rescue and can be towed behind a snowmobile, skier, personal watercraft, or ATV. Constructed of high density roto-molded polyethylene plastic and features a seamless design. Foam filled for flotation and patient insulation.

With the stabilizers attached (sold separately), the MP Carrier floats over 300 lbs. Can also be used as a Haz-Mat decon tray with a garden hose attached to the fittings for containment. The design features enable multiple units to stack together for easy storage The bottom runner width fits ground ladder rails for ladder slides, 4 non-slip strips and 18 speedclip pins.

MP Carrier SRD722 \$973.67

B.

PENTAX PCF WP11 BINOCULARS

B. These high-performance binoculars have large objective lenses for superior light gathering in even the lowest light conditions. The nitrogen-filled bodies are protected by a rubber covering that makes them waterproof, fog-proof, and fully submersible down to 1m. Long eye-relief for viewing with or without glasses, click-stop diopter adjustment, helicoid eyepiece ring with four click stops, mechanical focus lock. Focusing Range: 3.5m, Objective lens diameter: 40mm. Apparent field of view: 50 degrees. Real field of view: 6.3 degrees. Field of view at 1000m: 110m.

PCF WP11 NPT65807 \$159.00

PETZL DUO LED 14 HYBRID HEAD LAMP

C. Waterproof to 5m, the Duo features a 14 LED array that gives off a very diffuse white light. The LED's consume less energy than standard bulbs, and will never need replacing. Light duration is 63 hours at 30 lumens or up to 3.5 hours at 67 lumens. Includes spare halogen bulb, 4 AA batteries, and plastic case.

Duo LED Hybrid MPE72 \$164.00

C.

A.

PETZL E+LITE HEADLAMP

A. e+LITE is ultra-lightweight, and can easily be stored in a backpack, jacket, or emergency kit for up to 10 years. It provides white or red lighting in continuous or blinking modes and can easily be attached in multiple ways with its elastic band and clip. MPE02 **\$29.95**

ULTIMATE SURVIVAL JETSCREAM WHISTLE

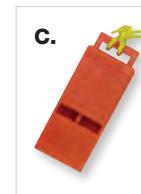

B.

B. One of the loudest whistles in the world, its 122Db shriek can be heard above most natural or man-made noises. Includes a short lanyard attachment. SRJSW **\$6.95**

ACR MOB RESCUE WHISTLE

C. U.S. Navy-specified whistle has a flat design to prevent the whistle body from holding water and damping sound. Includes 18" lanyard. SOWW3 **\$2.75**

C.

D.

WATERPROOF STORAGE CONTAINERS

D. Tough, high-vis yellow, waterproof PVC canister. 8" x 8" x 15" high with a gasketed screw top, and has about a 4-gallon capacity. SSFPB **\$49.95**

E.

F.

3M HIGH-INTENSITY SOLAS REFLECTIVES

E. USCG-approved, this highly-reflective SOLAS tape is designed for use on life-saving equipment, life jackets, lifeboats, life rafts and immersion suits. 2" wide.

ReflectiveTape SSRT1 \$1.95/foot

Reflective Patches Four 4x4" patches. SPFDT **\$17.95**

PELICAN NEMO DIVE LIGHT

F. Submersible to over 500', Nemo features a bright Xenon bulb that produces a powerful collimated pure white beam of light. Includes a spare bulb stored underneath the reflector.

Nemo Dive Light NPNE4 \$49.95

Replacement Bulbs 2-pack. NPNE5 **\$9.95**

SILICONE RESCUE TAPE

G. Self-fusing silicone tape first used by the US Military. Repair leaks on plumbing and hoses, insulate electrical wiring, use as shrink wrap, wrap tool handles, and much more. 950 PSI

tensile strength, insulates 8,000 volts per layer, withstands 500° F, and remains flexible to -85° F. Creates a permanent air- and water-tight seal in seconds, and never gets gummy or sticky. 1" x 20mil x 12'. SRT112 **\$9.95**
