

USCG/SOLAS OCEANMASTER™ LIFERAFT

DETAILS

Survitec's OceanMaster liferafts are renowned for their uncompromising quality and design sophistication. In addition to meeting the requirements of the International Convention of the Safety of Life at Sea (SOLAS) 1996, as amended (except for 4-person model), the OceanMaster is manufactured to NATO AQAP 1 quality standards and holds approvals from most major international marine authorities, including the United States Coast Guard and UK Department of Trade. Today, there are over 40,000 OceanMaster liferafts in service on commercial, naval and fishing vessels worldwide. These rafts are available as high-drop and Davit-launched models.

- Manufactured from coated textile corrosion and abrasion resistant rubber, ensuring its durability
- Fully enclosed double skinned high visibility canopy complete with retro-reflective tape
- Non-inflatable easy access boarding ramp
- All models come with SOLAS "A" pack (except 4-person)

4 - 8 person model

10 - 25 person model
