Y11916 - Reception Desk Assembly Instructions

Tools Needed: Phillips Screwdriver & A Helper!

Step 1: Insert three L Front Panel Supports with G Dowels into vertical support panel.

Step 2: Insert H Leveling Glides into vertical support.

Step 3: Attach K Strip with two E Screws, then insert six C Screws to connect L Supports.

Step 4: Attach J Legs with two E Screws each, to the Left & Right side panels. Then insert A Cam Pins as shown.

Next, insert B Cam Locks into underside of desk top. Line up side panels to the desktop and attach Cam Pins to Cam locks. Using a Phillips screwdriver, twist the Cam Locks to secure connection.

Step 5: Attach Front Panel of desk to the desktop/side panel assembly using A Cam Pins and B Cam Locks as shown.

Step 6: Attach I Counter Support with two E Screws as shown.

Step 7: Attach Counter Top to I Counter Support using two F Screws as shown. Then, attach D hardware assembly into the vertical support for the counter.
