Assembly Instructions

PARTS LIST

Machine Screw
& washers

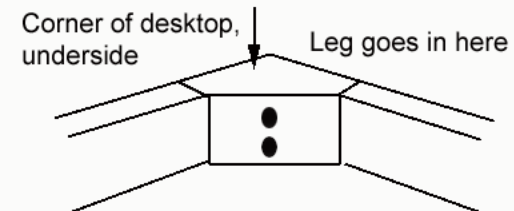

x2 per leg

Step 1:

Turn desktop upside down on carpet or cardboard for protection.

Step 2:

Insert first leg into one of the corners. The screws to secure the leg go through the diagonal cross brace piece and into the leg. Use washers if necessary. Secure the screws.

Step 3:

Repeat process for remaining 3 legs. Then, with a helper, carefully turn table upright.
