How to Properly Enjoy Your New
RugBuddy™ Portable Floor Heater

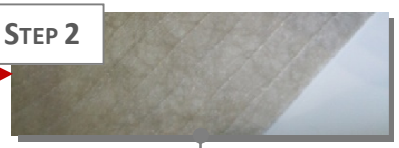
SPEEDHEAT® is Floor Heating
www.speedheat.us

Lay down a rug pad

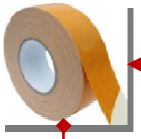
STEP 1

Lay down your RugBuddy™ portable floor heater panel by Speedheat® Floor Heating
Make sure there are no wrinkles or creases!

STEP 2



Tape corners & each side to rug pad



STEP 3

Lay down your area rug

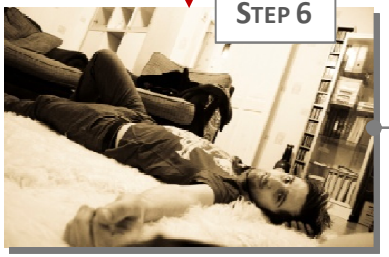
STEP 4

Plug in your RugBuddy™
Press the top button to turn it on.

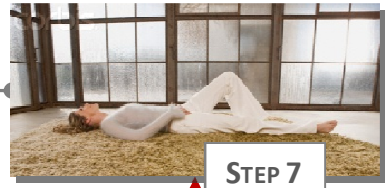
STEP 5

Lay down on your RugBuddy™

STEP 6



Stay there for at least 5 minutes



STEP 7

Make everyone else try it, too!

STEP 8

Smile...
You have a safe, energy efficient, silent, invisible, portable electric radiant floor heater, which means you are obviously a genius, and everyone, who lays down on your **RugBuddy™** recognizes your superior intelligence immediately.
