

THE BEVFRIDGE INSTRUCTIONS:

1. Fill the bottom of the Bevfridge with about 1.5-2" of ice.

2. More if it is a shorter bottle.

3. Place the bottle in the Bevfridge

4. Put more ice around top and neck of bottle

5. Place lid and seal over bottle and screw onto body of Bevfridge.

6. Now you're ready to go!
