

CULTURE OF EXCELLENCE

Our vision is to be recognized as a highly professional roofing company with a commitment to excellence and integrity.

Our mission is to deliver quality roofing workmanship hand-in-hand with exceptional customer service.

Our company provides the planning, preparation and processes to succeed in every project.

QUALITY WORKMANSHIP

- We use top-of-the-line roofing materials manufactured by industry leaders.
- All work is managed by experienced, long-term employees working with well-trained personnel.
- We prepare thoroughly and exercise quality control throughout each project.

CUSTOMER-DRIVEN FOCUS

- Pleasant, productive, enjoyable customer relationships are valued.
- We provide accurate, detailed job proposals for customers with no surprises.
- By delivering exceptional roofing workmanship, we deliver exceptional value.

HIGH SAFETY STANDARDS

- Continuous learning and training allow us to work professionally and safely.
- Safety is not an “accident.” It is a planned responsibility of every person on every job.
- Safety starts at the top and is a team effort. We look out for each other throughout every project.

PERSONAL RESPONSIBILITY

- We arrive for work on time wearing the appropriate uniform for our position.
- Our employees demonstrate good communication, courtesy and integrity.
- We are a business family and we enable employees to enjoy being in the Graham Roofing family.
