

EPSON AMERICA, INC. LIMITED WARRANTY

What is Covered: Epson America, Inc. (“Epson”) warrants to the first end user customer of the Epson product covered by this limited warranty statement that the product, if purchased and used in the United States, Canada or Puerto Rico, conforms to the manufacturer’s specifications and will be free from defects in workmanship and materials for a period of one (1) year from the date of original purchase. Epson warrants that the Epson product is manufactured from new components and parts, or from like-new components and parts which perform like new and meet the Epson standard of quality. For warranty service, you must provide proof of the date of original purchase. Epson also warrants that the consumable ink cartridges, if enclosed with the product, will perform to the manufacturer’s specified usage, which usage may expire before the expiration of the one year limited warranty for the printer.

What Epson Will Do To Correct Problems: Should your Epson product prove defective during the warranty period, please send the product, securely packaged in its original container or an equivalent, along with proof of the date of original purchase, to Epson or an Epson Authorized Servicer. The servicer will, at Epson’s option, either repair the defective unit, or replace it on an exchange basis, without charge for parts or labor. If Epson repairs the printer, you are responsible for packing the defective unit, and for all costs of sending the defective unit to the servicer and sending the repaired or replacement unit back to you. If the servicer exchanges the product for you, you are responsible for securely packaging the defective unit and returning it to Epson within five (5) working days of receipt of the replacement. Epson requires a debit or a credit card number to secure the cost of the replacement printer in case you fail to return the defective unit in time. When warranty service involves the exchange of the product or of a part, the item replaced becomes Epson property. The exchanged product or part may be new or previously repaired to the Epson standard of quality. Exchange or replacement products or parts assume the remaining warranty period of the product covered by this limited warranty.
