

Shipment Label Header

Pros

1. Faster print speed
2. Easy to set up
3. Associated to Shipper Profile, so Label headers can be easily changed between profiles.

Cons

1. Image can't be larger than 350x175 pixels
2. Image quality is not as good as the Graphical Logo

Graphical Logo

Pros

1. Image can be as big as 1400x679 pixels
2. Images are bigger take up more of the top of the label.
3. Image quality is superior to Shipment label header.

Cons

1. Associated to Shipper Number, so Graphical Images cannot be switched as easily as Shipment Label Headers
2. Slower Print Speed
