Certified WBE Company

PCA® 3/8" Supply Line Adapter 9/16"-24 - Female x Male

flow, stop and go®

Features and Benefits

- ▶ Solid brass construction.
- ▶ Can be easily installed under the sink between the supply line and the faucet.
- ▶ Ideal for faucets where the aerator cannot be replaced but a lower flow rate is desired.

Options Available

Part #	Color
30 047*	1.5 gpm - Green flow regulator
30 048*	1.8 gpm - Light blue flow regulator
