

# Champion S-33

Swing Rotor Bench-top Centrifuge

Centrifuge

## Features

- Maintains constant temperature in the inner chamber through vortex heat dispensing system
- Brushless temperature controlled motor
- Variable speed with digital speed display
- Smooth acceleration
- Stainless Steel inner bowl and standard duralumin rotor

## Specifications

Item	Specification
Speed	300 – 3300 RPM
Speed Control	Digital Display and Digital Control
Rcf	1350 xg
Timer	0-30 mins
Timer Control	Digital Display and Digital Control
Noise Level	≤65dB
Power	110V 60Hz or 220V 50Hz
Motor	Brushless
Weight	30 lb
Size (L x W x H)	462 x 362 x 318 mm
Rotor and Test Tube Holders	8 Place Duralumin Swing Rotor with 8 standard PC tubes
